(625 ILCS 5/4-203) (from Ch. 95 1/2, par. 4-203)

Sec. 4-203. Removal of motor vehicles or other vehicles;
Towing or hauling away.

(a) When a vehicle is abandoned, or left unattended, on a toll highway, interstate highway, or expressway for 2 hours or more, its removal by a towing service may be authorized by a law enforcement agency having jurisdiction.

(b) When a vehicle is abandoned on a highway in an urban district 10 hours or more, its removal by a towing service may be authorized by a law enforcement agency having jurisdiction.

(c) When a vehicle is abandoned or left unattended on a highway other than a toll highway, interstate highway, or expressway, outside of an urban district for 24 hours or more, its removal by a towing service may be authorized by a law enforcement agency having jurisdiction.

(d) When an abandoned, unattended, wrecked, burned or partially dismantled vehicle is creating a traffic hazard because of its position in relation to the highway or its physical appearance is causing the impeding of traffic, its immediate removal from the highway or private property adjacent

to the highway by a towing service may be authorized by a law enforcement agency having jurisdiction.

(e) Whenever a peace officer reasonably believes that a person under arrest for a violation of Section 11-501 of this Code or a similar provision of a local ordinance is likely, upon release, to commit a subsequent violation of Section 11-501, or a similar provision of a local ordinance, the arresting officer shall have the vehicle which the person was operating at the time of the arrest impounded for a period of not more than 12 hours after the time of arrest. However, such vehicle may be released by the arresting law enforcement agency prior to the end of the impoundment period if:

(1) the vehicle was not owned by the person under arrest, and the lawful owner requesting such release possesses a valid operator's license, proof of ownership, and would not, as determined by the arresting law enforcement agency, indicate a lack of ability to operate a motor vehicle in a safe manner, or who would otherwise, by operating such motor vehicle, be in violation of this Code; or

(2) the vehicle is owned by the person under arrest, and the person under arrest gives permission to another person to operate such vehicle, provided however, that the other person possesses a valid operator's license and would not, as determined by the arresting law enforcement agency, indicate a lack of ability to operate a motor vehicle in a

safe manner or who would otherwise, by operating such motor vehicle, be in violation of this Code.

(e-5) Whenever a registered owner of a vehicle is taken into custody for operating the vehicle in violation of Section 11-501 of this Code or a similar provision of a local ordinance or Section 6-303 of this Code, a law enforcement officer may have the vehicle immediately impounded for a period not less than:

(1) 24 hours for a second violation of Section 11-501 of this Code or a similar provision of a local ordinance or Section 6-303 of this Code or a combination of these offenses; or

(2) 48 hours for a third violation of Section 11-501 of this Code or a similar provision of a local ordinance or Section 6-303 of this Code or a combination of these offenses.

The vehicle may be released sooner if the vehicle is owned by the person under arrest and the person under arrest gives permission to another person to operate the vehicle and that other person possesses a valid operator's license and would not, as determined by the arresting law enforcement agency, indicate a lack of ability to operate a motor vehicle in a safe manner or would otherwise, by operating the motor vehicle, be in violation of this Code.

(f) Except as provided in Chapter 18a of this Code, the owner or lessor of privately owned real property within this

State, or any person authorized by such owner or lessor, or any law enforcement agency in the case of publicly owned real property may cause any motor vehicle abandoned or left unattended upon such property without permission to be removed by a towing service without liability for the costs of removal, transportation or storage or damage caused by such removal, transportation or storage. The towing or removal of any vehicle from private property without the consent of the registered owner or other legally authorized person in control of the vehicle is subject to compliance with the following conditions and restrictions:

1. Any towed or removed vehicle must be stored at the site of the towing service's place of business. The site must be open during business hours, and for the purpose of redemption of vehicles, during the time that the person or firm towing such vehicle is open for towing purposes.

2. The towing service shall within 30 minutes of completion of such towing or removal, notify the law enforcement agency having jurisdiction of such towing or removal, and the make, model, color and license plate number of the vehicle, and shall obtain and record the name of the person at the law enforcement agency to whom such information was reported.

3. If the registered owner or legally authorized person entitled to possession of the vehicle shall arrive at the scene prior to actual removal or towing of the vehicle, the

vehicle shall be disconnected from the tow truck and that person shall be allowed to remove the vehicle without interference, upon the payment of a reasonable service fee of not more than one half the posted rate of the towing service as provided in paragraph 6 of this subsection, for which a receipt shall be given.

4. The rebate or payment of money or any other valuable consideration from the towing service or its owners, managers or employees to the owners or operators of the premises from which the vehicles are towed or removed, for the privilege of removing or towing those vehicles, is prohibited. Any individual who violates this paragraph shall be guilty of a Class A misdemeanor.

5. Except for property appurtenant to and obviously a part of a single family residence, and except for instances where notice is personally given to the owner or other legally authorized person in control of the vehicle that the area in which that vehicle is parked is reserved or otherwise unavailable to unauthorized vehicles and they are subject to being removed at the owner or operator's expense, any property owner or lessor, prior to towing or removing any vehicle from private property without the consent of the owner or other legally authorized person in control of that vehicle, must post a notice meeting the following requirements:

a. Except as otherwise provided in subparagraph

a.1 of this subdivision (f)5, the notice must be prominently placed at each driveway access or curb cut allowing vehicular access to the property within 5 feet from the public right-of-way line. If there are no curbs or access barriers, the sign must be posted not less than one sign each 100 feet of lot frontage.

a.1. In a municipality with a population of less than 250,000, as an alternative to the requirement of subparagraph a of this subdivision (f)5, the notice for a parking lot contained within property used solely for a 2-family, 3-family, or 4-family residence may be prominently placed at the perimeter of the parking lot, in a position where the notice is visible to the occupants of vehicles entering the lot.

b. The notice must indicate clearly, in not less than 2 inch high light-reflective letters on a contrasting background, that unauthorized vehicles will be towed away at the owner's expense.

c. The notice must also provide the name and current telephone number of the towing service towing or removing the vehicle.

d. The sign structure containing the required notices must be permanently installed with the bottom of the sign not less than 4 feet above ground level, and must be continuously maintained on the property for not less than 24 hours prior to the towing or removing

of any vehicle.

6. Any towing service that tows or removes vehicles and proposes to require the owner, operator, or person in control of the vehicle to pay the costs of towing and storage prior to redemption of the vehicle must file and keep on record with the local law enforcement agency a complete copy of the current rates to be charged for such services, and post at the storage site an identical rate schedule and any written contracts with property owners, lessors, or persons in control of property which authorize them to remove vehicles as provided in this Section. The towing and storage charges, however, shall not exceed the maximum allowed by the Illinois Commerce Commission under Section 18a-200.

7. No person shall engage in the removal of vehicles from private property as described in this Section without filing a notice of intent in each community where he intends to do such removal, and such notice shall be filed at least 7 days before commencing such towing.

8. No removal of a vehicle from private property shall be done except upon express written instructions of the owners or persons in charge of the private property upon which the vehicle is said to be trespassing.

9. Vehicle entry for the purpose of removal shall be allowed with reasonable care on the part of the person or firm towing the vehicle. Such person or firm shall be

liable for any damages occasioned to the vehicle if such entry is not in accordance with the standards of reasonable care.

10. When a vehicle has been towed or removed pursuant to this Section, it must be released to its owner or custodian within one half hour after requested, if such request is made during business hours. Any vehicle owner or custodian or agent shall have the right to inspect the vehicle before accepting its return, and no release or waiver of any kind which would release the towing service from liability for damages incurred during the towing and storage may be required from any vehicle owner or other legally authorized person as a condition of release of the vehicle. A detailed, signed receipt showing the legal name of the towing service must be given to the person paying towing or storage charges at the time of payment, whether requested or not.

This Section shall not apply to law enforcement, firefighting, rescue, ambulance, or other emergency vehicles which are marked as such or to property owned by any governmental entity.

When an authorized person improperly causes a motor vehicle to be removed, such person shall be liable to the owner or lessee of the vehicle for the cost or removal, transportation and storage, any damages resulting from the removal, transportation and storage, attorney's fee and court costs.

Any towing or storage charges accrued shall be payable by the use of any major credit card, in addition to being payable in cash.

11. Towing companies shall also provide insurance coverage for areas where vehicles towed under the provisions of this Chapter will be impounded or otherwise stored, and shall adequately cover loss by fire, theft or other risks.

Any person who fails to comply with the conditions and restrictions of this subsection shall be guilty of a Class C misdemeanor and shall be fined not less than \$100 nor more than \$500.

(g) When a vehicle is determined to be a hazardous dilapidated motor vehicle pursuant to Section 11-40-3.1 of the Illinois Municipal Code, its removal and impoundment by a towing service may be authorized by a law enforcement agency with appropriate jurisdiction.

When a vehicle removal from either public or private property is authorized by a law enforcement agency, the owner of the vehicle shall be responsible for all towing and storage charges.

Vehicles removed from public or private property and stored by a commercial vehicle relocater or any other towing service in compliance with this Section and Sections 4-201 and 4-202 of this Code, or at the request of the vehicle owner or operator, shall be subject to a possessor lien for services pursuant to

the Labor and Storage Lien (Small Amount) Act. The provisions of Section 1 of that Act relating to notice and implied consent shall be deemed satisfied by compliance with Section 18a-302 and subsection (6) of Section 18a-300. In no event shall such lien be greater than the rate or rates established in accordance with subsection (6) of Section 18a-200 of this Code. In no event shall such lien be increased or altered to reflect any charge for services or materials rendered in addition to those authorized by this Act. Every such lien shall be payable by use of any major credit card, in addition to being payable in cash.

Any personal property belonging to the vehicle owner in a vehicle subject to a lien under this subsection (g) shall likewise be subject to that lien, excepting only: food; medicine; perishable property; any operator's licenses; any cash, credit cards, or checks or checkbooks; and any wallet, purse, or other property containing any operator's license or other identifying documents or materials, cash, credit cards, checks, or checkbooks.

No lien under this subsection (g) shall: exceed \$2,000 in its total amount; or be increased or altered to reflect any charge for services or materials rendered in addition to those authorized by this Act.

CHAPTER 18d. ILLINOIS COMMERCIAL SAFETY TOWING LAW

(625 ILCS 5/18d-101 new)

Sec. 18d-101. Short title. This Chapter may be cited as the Illinois Commercial Safety Towing Law.

(625 ILCS 5/18d-105 new)

Sec. 18d-105. Definitions. As used in this Chapter:

(1) "Commercial vehicle safety relocater" or "safety relocater" means any person or entity engaged in the business of removing damaged or disabled vehicles from public or private property by means of towing or otherwise, and thereafter relocating and storing such vehicles.

(2) "Commission" means the Illinois Commerce Commission.

(625 ILCS 5/18d-110 new)

Sec. 18d-110. The General Assembly finds and declares that commercial vehicle towing service in the State of Illinois fundamentally affects the public interest and public welfare. It is the intent of the General Assembly, in this amendatory Act of the 95th General Assembly, to promote the public interest and the public welfare by requiring similar basic consumer protections and fraud prevention measures that are required of other marketplace participants, including the disclosure of material terms and conditions of the service to consumers before consumers accept the terms and conditions. The General Assembly also intends that the provisions in this amendatory Act of the 95th General Assembly promote safety for all persons and vehicles that travel or otherwise use the public highways of this State. The General Assembly finds that it is in the public interest that persons whose vehicles are towed from the public highways know important basic information, such as where they can retrieve their vehicles and the cost to retrieve their vehicles, so that they can avoid vehicle deterioration and arrange for a prompt repair of the vehicles.

(625 ILCS 5/18d-115 new)

Sec. 18d-115. It shall be unlawful for any commercial vehicle safety relocater to operate in any county in which this

Chapter is applicable without a valid, current safety relocator's registration certificate issued by the Illinois Commerce Commission. The Illinois Commerce Commission shall issue safety relocator's registration certificates in accordance with administrative rules adopted by the Commission. The Commission may, at any time during the term of the registration certificate, make inquiry, into the licensee's management or conduct of business or otherwise, to determine that the provisions of this Chapter and the rules of the Commission adopted under this Chapter are being observed.

(625 ILCS 5/18d-120 new)

Sec. 18d-120. Disclosure to vehicle owner or operator before towing of damaged or disabled vehicle commences.

(a) A commercial vehicle safety relocator shall not commence the towing of a damaged or disabled vehicle without specific authorization from the vehicle owner or operator after the disclosures set forth in this Section.

(2) Before towing, you must be advised of the price of all services;

(3) Upon your demand, a final invoice itemizing all charges, as well as any damage to the vehicle upon its receipt and return to you, must be provided;

(4) Upon your demand, your vehicle must be returned during business hours, upon your prompt payment of all reasonable fees;

(5) You have the right to pay all charges in cash or by major credit card;

(6) Upon your demand, you must be provided with proof of the existence of mandatory insurance insuring against all risks associated with the transportation and storage of your vehicle."

(c) The commercial vehicle safety relocater shall provide a copy of the completed disclosure required by this Section to the vehicle owner or operator, before towing the damaged or disabled vehicle, and shall maintain an identical copy of the completed disclosure in its records for a minimum of 5 years after the transaction concludes.

(d) If the vehicle owner or operator is incapacitated, incompetent, or otherwise unable to knowingly accept receipt of the disclosure described in this Section, the commercial vehicle safety relocater shall provide a completed copy of the disclosure to local law enforcement and, if known, the vehicle owner or operator's automobile insurance company.

(e) If the commercial vehicle safety relocater fails to comply with the requirements of this Section, the commercial vehicle safety relocater shall be prohibited from seeking any compensation whatsoever from the vehicle owner or operator, including but not limited to any towing, storage, or other incidental fees. Furthermore, if the commercial vehicle safety relocater or operator fails to comply with the requirements of this Section, any contracts entered into by the commercial vehicle safety relocater and the vehicle owner or operator shall be deemed null, void, and unenforceable.

(625 ILCS 5/18d-125 new)

Sec. 18d-125. Disclosures to vehicle owners or operators; invoices.

(a) Upon demand of the vehicle owner or operator, the commercial vehicle safety relocater shall provide an itemized final invoice that fairly and accurately documents the charges owed by the vehicle owner or operator for relocation of damaged or disabled vehicles. The final estimate or invoice shall accurately record in writing all of the items set forth in this Section.

(b) The final invoice shall show the formal business name of the commercial vehicle safety relocater, as registered with the Illinois Secretary of State, its business address and telephone number, the date of the invoice, the odometer reading at the time the final invoice was prepared, the name of the vehicle owner or operator, and the description of the motor vehicle, including the motor vehicle identification number. In addition, the invoice shall describe any modifications made to the vehicle by the commercial vehicle safety relocater, any observable damage to the vehicle upon its initial receipt by the commercial vehicle safety relocater, and any observable damage to the vehicle at the time of its release to the vehicle owner or operator. The invoice shall itemize any additional charges and include those charges in the total presented to the vehicle owner or operator.

(c) A legible copy of the invoice shall be given to the vehicle owner or operator, and a legible copy shall be retained by the commercial vehicle safety relocater for a period of 5 years from the date of release of the vehicle. The copy may be

retained in electronic format. Records may be stored at a separate location.

(d) Disclosure forms required in accordance with this Section 18d-120 must be approved by the Commission.
