(D)(1)(a) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section or for an equivalent offense that is watercraft-related, the result of any test of any blood or urine withdrawn and analyzed at any health care provider, as defined in section 2317.02 of the Revised Code, may be admitted with expert testimony to be considered with any other relevant and competent evidence in determining the guilt or innocence of the defendant.

(b) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section or for an equivalent ~~violation~~ offense that is watercraft-related, the court may admit evidence on the concentration of alcohol, drugs of abuse, controlled substances, metabolites of a controlled substance, or a combination of them in the defendant's or child's whole blood, blood serum or plasma, urine, or breath at the time of the alleged violation as shown by chemical analysis of the substance withdrawn, or specimen taken within three hours of the time of the alleged violation. The three-hour time limit specified in this division regarding the admission of evidence does not extend or affect the two-hour time limit specified in division (C) of section 1547.111 of the Revised Code as the maximum period of time during which a person may consent to a chemical test or tests as described in that section. The court may admit evidence on the concentration of alcohol, drugs of abuse, or a combination of them as described in this division when

~~When~~ a person submits to a blood, breath, urine, or other bodily substance test, ~~only at the request of a law enforcement officer under section 1547.111 of the Revised Code or a blood or urine sample is obtained pursuant to a search warrant.~~ Only a physician, a registered nurse, or a qualified technician, chemist, or phlebotomist shall withdraw blood for the purpose of determining the alcohol, drug, controlled substance, metabolite of a controlled substance, or combination content of the whole blood, blood serum, or blood plasma. This limitation does not apply to the taking of breath or urine specimens. The whole blood, blood serum or plasma, urine, or breath withdrawn under division (D)(1)(b) of this section shall be analyzed in accordance with methods approved by the director of health by an individual possessing a valid permit issued by the director pursuant to section 3701.143 of the Revised Code.

(2) In a criminal prosecution or juvenile court proceeding for a violation of division (A) of this section or for ~~a violation of a prohibition that is substantially an equivalent to division (A) of this section~~ offense that is watercraft-related, if there was at the time the bodily substance was taken a concentration of less than the applicable concentration of alcohol specified for a violation of division (A)(2), (3), (4), or (5) of this section or less than the applicable concentration of a listed controlled substance or a listed metabolite of a controlled substance specified for a violation of division (A)(6) of this section, that fact may be considered with other competent evidence in determining the guilt or innocence of the defendant or in making an adjudication for the child. This division does not limit or affect a criminal prosecution or juvenile court proceeding for a violation of division (B) of this section or for a violation of a prohibition that is substantially equivalent to that division.

(3) Upon the request of the person who was tested, the results of the chemical test shall be made available to the person or the person's attorney immediately upon completion of the test analysis.

~~The~~ If the chemical test was administered pursuant to division (D)(1)(b) of this section, the person tested may have a physician, a registered nurse, or a qualified technician, chemist, or phlebotomist of the person's own choosing administer a chemical test or tests in addition to any administered at the direction of a law enforcement officer, and shall be so advised. The failure or inability to obtain an additional test by a person shall not preclude the admission of evidence relating to the test or tests taken at the direction of a law enforcement officer.

(E)(1) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section ~~or for an equivalent violation~~, of a municipal ordinance relating to operating or being in physical control of any vessel underway or to manipulating any water skis, aquaplane, or similar device on the waters of this state while under the influence of alcohol, a drug of abuse, or a combination of them, or of a municipal ordinance relating to operating or being in physical control of any vessel underway or to manipulating any water skis, aquaplane, or similar device on the waters of this state with a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the whole

blood, blood serum or plasma, breath, or urine, if a law enforcement officer has administered a field sobriety test to the operator or person found to be in physical control of the vessel underway involved in the violation or the person manipulating the water skis, aquaplane, or similar device involved in the violation and if it is shown by clear and convincing evidence that the officer administered the test in substantial compliance with the testing standards for reliable, credible, and generally accepted field sobriety tests for vehicles that were in effect at the time the tests were administered, including, but not limited to, any testing standards then in effect that have been set by the national highway traffic safety administration, that by their nature are not clearly inapplicable regarding the operation or physical control of vessels underway or the manipulation of water skis, aquaplanes, or similar devices, all of the following apply:

(a) The officer may testify concerning the results of the field sobriety test so administered.

(b) The prosecution may introduce the results of the field sobriety test so administered as evidence in any proceedings in the criminal prosecution or juvenile court proceeding.

(c) If testimony is presented or evidence is introduced under division (E)(1)(a) or (b) of this section and if the testimony or evidence is admissible under the Rules of Evidence, the court shall admit the testimony or evidence, and the trier of fact shall give it whatever weight the trier of fact considers to be appropriate.

(2) Division (E)(1) of this section does not limit or preclude a court, in its determination of whether the arrest of a person was supported by probable cause or its determination of any other matter in a criminal prosecution or juvenile court proceeding of a type described in that division, from considering evidence or testimony that is not otherwise disallowed by division (E)(1) of this section.

(F)(1) Subject to division (F)(3) of this section, in any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section or for an equivalent violation offense that is substantially equivalent to either of those divisions, the court shall admit as prima-facie evidence a laboratory report from any laboratory personnel issued a permit by the department of health authorizing an analysis as described in this division that contains an analysis of the whole blood, blood serum or plasma, breath, urine, or other bodily substance tested and that contains all of the information specified in this division. The laboratory report shall contain all of the following:

(a) The signature, under oath, of any person who performed the

analysis;

(b) Any findings as to the identity and quantity of alcohol, a drug of abuse, a controlled substance, a metabolite of a controlled substance, or a combination of them that was found;

(c) A copy of a notarized statement by the laboratory director or a designee of the director that contains the name of each certified analyst or test performer involved with the report, the analyst's or test performer's employment relationship with the laboratory that issued the report, and a notation that performing an analysis of the type involved is part of the analyst's or test performer's regular duties;

(d) An outline of the analyst's or test performer's education, training, and experience in performing the type of analysis involved and a certification that the laboratory satisfies appropriate quality control standards in general and, in this particular analysis, under rules of the department of health.

(2) Notwithstanding any other provision of law regarding the admission of evidence, a report of the type described in division (F)(1) of this section is not admissible against the defendant or child to whom it pertains in any proceeding, other than a preliminary hearing or a grand jury proceeding, unless the prosecutor has served a copy of the report on the defendant's or child's attorney or, if the defendant or child has no attorney, on the defendant or child.

(3) A report of the type described in division (F)(1) of this section shall not be prima-facie evidence of the contents, identity, or amount of any substance if, within seven days after the defendant or child to whom the report pertains or the defendant's or child's attorney receives a copy of the report, the defendant or child or the defendant's or child's attorney demands the testimony of the person who signed the report. The judge in the case may extend the seven-day time limit in the interest of justice.

(G) Except as otherwise provided in this division, any physician, registered nurse, or qualified technician, chemist, or phlebotomist who withdraws blood from a person pursuant to this section or section 1547.111 of the Revised Code, and a hospital, first-aid station, or clinic at which blood is withdrawn from a person pursuant to this section or section 1547.111 of the Revised Code, is immune from criminal and civil liability based upon a claim of assault and battery or any other claim that is not a claim of malpractice, for any act performed in withdrawing blood from the person. The immunity provided in this division is not available to a person who withdraws blood if the person engages in willful or wanton misconduct.

(H) Division (A)(6) of this section does not apply to a person who

operates or is in physical control of a vessel underway or manipulates any water skis, aquaplane, or similar device while the person has a concentration of a listed controlled substance or a listed metabolite of a controlled substance in the person's whole blood, blood serum or plasma, or urine that equals or exceeds the amount specified in that division, if both of the following apply:

(1) The person obtained the controlled substance pursuant to a prescription issued by a licensed health professional authorized to prescribe drugs.

(2) The person injected, ingested, or inhaled the controlled substance in accordance with the health professional's directions.

(I) As used in this section and section 1547.111 of the Revised Code:

(1) ~~"Equivalent violation offense" means a violation of a municipal ordinance, law of another state, or law of the United States that is substantially equivalent to division (A) or (B) of this section~~ has the same meaning as in section 4511.181 of the Revised Code.

(2) "National highway traffic safety administration" has the same meaning as in section 4511.19 of the Revised Code.

(3) "Operate" means that a vessel is being used on the waters in this state when the vessel is not securely affixed to a dock or to shore or to any permanent structure to which the vessel has the right to affix or that a vessel is not anchored in a designated anchorage area or boat camping area that is established by the United States coast guard, this state, or a political subdivision and in which the vessel has the right to anchor.

(4) "Controlled substance" and "marihuana" have the same meanings as in section 3719.01 of the Revised Code.

(5) "Cocaine" and "L.S.D." have the same meanings as in section 2925.01 of the Revised Code.

(b) A violation of a municipal ordinance prohibiting a person from operating or being in physical control of any vessel underway or from manipulating any water skis, aquaplane, or similar device on the waters of this state while under the influence of alcohol, a drug of abuse, or a combination of them or prohibiting a person from operating or being in physical control of any vessel underway or from manipulating any water skis, aquaplane, or similar device on the waters of this state with a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the whole blood, blood serum or plasma, breath,

or urine:

(d) A violation of a former law of this state that was substantially equivalent to division (A) or (B) of this section.

Sec. 1547.111. (A)(1)~~(a)~~ Any person who operates or is in physical control of a vessel or manipulates any water skis, aquaplane, or similar device upon any waters in this state shall be deemed to have given consent to a chemical test or tests to determine the alcohol, drug of abuse, controlled substance, metabolite of a controlled substance, or combination content of the person's whole blood, blood serum or plasma, breath, or urine if arrested for operating or being in physical control of a vessel or manipulating any water skis, aquaplane, or similar device in violation of section 1547.11 of the Revised Code or a substantially equivalent municipal ordinance.

~~(a)~~(b) The test or tests under division (A)(1) of this section shall be administered at the ~~direction~~ request of a law enforcement officer having reasonable grounds to believe the person was operating or in physical control of a vessel or manipulating any water skis, aquaplane, or similar device in violation of section 1547.11 of the Revised Code or a substantially equivalent municipal ordinance. The law enforcement agency by which the officer is employed shall designate which test or tests shall be administered.

~~(B)~~(2) Any person who is dead or unconscious or who otherwise is in a condition rendering the person incapable of refusal shall be deemed to have consented as provided in division (A)(1) of this section, and the test or tests may be administered, subject to sections 313.12 to 313.16 of the Revised Code.

(B)(1) If a law enforcement officer arrests a person for operating or being in physical control of a vessel or manipulating any water skis, aquaplane, or similar device in violation of section 1547.11 of the Revised Code or a substantially equivalent municipal ordinance and if the person previously has been convicted of or pleaded guilty to two or more violations of section 1547.11 of the Revised Code or other equivalent offenses, the law enforcement officer shall request the person to submit, and the person shall submit, to a chemical test or tests of the person's whole blood, blood serum or plasma, breath, or urine for the purpose of determining the alcohol, drug of abuse, controlled substance, metabolite of a controlled substance, or combination content of the person's whole blood, blood serum or plasma, breath, or urine. A law enforcement officer who makes a request pursuant to this division that a person submit to a chemical test or tests shall advise the

person at the time of the arrest that if the person refuses to take a chemical test the officer may employ whatever reasonable means are necessary to ensure that the person submits to a chemical test of the person's whole blood or blood serum or plasma. The officer shall also advise the person at the time of the arrest that the person may have an independent chemical test taken at the person's own expense. The advice shall be in written form prescribed by the chief of the division of watercraft and shall be read to the person. The form shall contain a statement that the form was shown to the person under arrest and read to the person by the arresting officer. The reading of the form shall be witnessed by one or more persons, and the witnesses shall certify to this fact by signing the form. Divisions (A)(1)(b) and (A)(2) of this section apply to the administration of a chemical test or tests pursuant to this division.

(2) If a person refuses to submit to a chemical test upon a request made pursuant to division (B)(1) of this section, the law enforcement officer who made the request may employ whatever reasonable means are necessary to ensure that the person submits to a chemical test of the person's whole blood or blood serum or plasma. A law enforcement officer who acts pursuant to this division to ensure that a person submits to a chemical test of the person's whole blood or blood serum or plasma is immune from criminal and civil liability based upon a claim for assault and battery or any other claim for the acts, unless the officer so acted with malicious purpose, in bad faith, or in a wanton or reckless manner.

(C) Any person under arrest for violating section 1547.11 of the Revised Code or a substantially equivalent municipal ordinance shall be advised of the consequences of refusing to submit to a chemical test or tests designated as provided in division (A) of this section. The advice shall be in a written form prescribed by the chief of the division of watercraft and shall be read to the person. The form shall contain a statement that the form was shown to the person under arrest and read to the person by the arresting officer. The person must submit to the chemical test or tests, subsequent to the request of the arresting officer, within two hours of the time of the alleged violation, and if the person does not submit to the test or tests within that two-hour time limit, the failure to submit automatically constitutes a refusal to submit to the test or tests.

(D) If a law enforcement officer asks a person under arrest for violating section 1547.11 of the Revised Code or a substantially equivalent municipal ordinance to submit to a chemical test or tests as provided in division (A) of

this section, if the arresting officer advises the person of the consequences of the person's refusal as provided in division (C) of this section, and if the person refuses to submit, no chemical test shall be given. Upon receipt of a sworn statement of the officer that the arresting law enforcement officer had reasonable grounds to believe the arrested person violated section 1547.11 of the Revised Code or a substantially equivalent municipal ordinance and that the person refused to submit to the chemical test upon the request of the officer, and upon receipt of the form as provided in division (C) of this section certifying that the arrested person was advised of the consequences of the refusal, the chief of the division of watercraft shall inform the person by written notice that the person is prohibited from operating or being in physical control of a vessel, from manipulating any water skis, aquaplane, or similar device, and from registering any watercraft in accordance with section 1547.54 of the Revised Code, for one year following the date of the alleged violation. The suspension of these operation, physical control, manipulation, and registration privileges shall continue for the entire one-year period, subject to review as provided in this section.

If the person under arrest is the owner of the vessel involved in the alleged violation, the law enforcement officer who arrested the person shall seize the watercraft registration certificate and tags from the vessel involved in the violation and forward them to the chief. The chief shall retain the impounded registration certificate and tags and shall impound all other registration certificates and tags issued to the person in accordance with sections 1547.54 and 1547.57 of the Revised Code, for a period of one year following the date of the alleged violation, subject to review as provided in this section.

If the arrested person fails to surrender the registration certificate because it is not on the person of the arrested person or in the watercraft, the law enforcement officer who made the arrest shall order the person to surrender it within twenty-four hours to the law enforcement officer or the law enforcement agency that employs the law enforcement officer. If the person fails to do so, the law enforcement officer shall notify the chief of that fact in the statement the officer submits to the chief under this division.

(E) Upon suspending a person's operation, physical control, manipulation, and registration privileges in accordance with division (D) of this section, the chief shall notify the person in writing, at the person's last known address, and inform the person that the person may petition for a hearing in accordance with division (F) of this section. If a person whose operation, physical control, manipulation, and registration privileges have been suspended petitions for a hearing or appeals any adverse decision, the

suspension shall begin at the termination of any hearing or appeal unless the hearing or appeal results in a decision favorable to the person.

(F) Any person who has been notified by the chief that the person is prohibited from operating or being in physical control of a vessel or manipulating any water skis, aquaplane, or similar device and from registering any watercraft in accordance with section 1547.54 of the Revised Code, or who has had the registration certificate and tags of the person's watercraft impounded pursuant to division (D) of this section, within twenty days of the notification or impoundment, may file a petition in the municipal court or the county court, or if the person is a minor in juvenile court, with jurisdiction over the place at which the arrest occurred, agreeing to pay the cost of the proceedings and alleging error in the action taken by the chief under division (D) of this section or alleging one or more of the matters within the scope of the hearing as provided in this section, or both. The petitioner shall notify the chief of the filing of the petition and send the chief a copy of the petition.

The scope of the hearing is limited to the issues of whether the law enforcement officer had reasonable grounds to believe the petitioner was operating or in physical control of a vessel or manipulating any water skis, aquaplane, or similar device in violation of section 1547.11 of the Revised Code or a substantially equivalent municipal ordinance, whether the petitioner was placed under arrest, whether the petitioner refused to submit to the chemical test upon request of the officer, and whether the petitioner was advised of the consequences of the petitioner's refusal.

(G)(1) The chief shall furnish the court a copy of the affidavit as provided in division (C) of this section and any other relevant information requested by the court.

(2) In hearing the matter and in determining whether the person has shown error in the decision taken by the chief as provided in division (D) of this section, the court shall decide the issue upon the relevant, competent, and material evidence submitted by the chief or the person whose operation, physical control, manipulation, and registration privileges have been suspended.

In the proceedings, the chief shall be represented by the prosecuting attorney of the county in which the petition is filed if the petition is filed in a county court or juvenile court, except that if the arrest occurred within a city or village within the jurisdiction of the county court in which the petition is filed, the city director of law or village solicitor of that city or village shall represent the chief. If the petition is filed in the municipal court, the chief shall be represented as provided in section 1901.34 of the Revised Code.

(3) If the court finds from the evidence submitted that the person has failed to show error in the action taken by the chief under division (D) of this section or in one or more of the matters within the scope of the hearing as provided in division (F) of this section, or both, the court shall assess the cost of the proceeding against the person and shall uphold the suspension of the operation, physical control, use, and registration privileges provided in division (D) of this section. If the court finds that the person has shown error in the action taken by the chief under division (D) of this section or in one or more of the matters within the scope of the hearing as provided in division (F) of this section, or both, the cost of the proceedings shall be paid out of the county treasury of the county in which the proceedings were held, the chief shall reinstate the operation, physical control, manipulation, and registration privileges of the person without charge, and the chief shall return the registration certificate and tags, if impounded, without charge.

(4) The court shall give information in writing of any action taken under this section to the chief.

(H) At the end of any period of suspension or impoundment imposed under this section, and upon request of the person whose operation, physical control, use, and registration privileges were suspended or whose registration certificate and tags were impounded, the chief shall reinstate the person's operation, physical control, manipulation, and registration privileges by written notice and return the certificate and tags.

(I) No person who has received written notice from the chief that the person is prohibited from operating or being in physical control of a vessel, from manipulating any water skis, aquaplane, or similar device, and from registering a watercraft, or who has had the registration certificate and tags of the person's watercraft impounded, in accordance with division (D) of this section, shall operate or be in physical control of a vessel or manipulate any water skis, aquaplane, or similar device for a period of one year following the date of the person's alleged violation of section 1547.11 of the Revised Code or the substantially equivalent municipal ordinance.

Sec. 1547.99. (A) Whoever violates section 1547.91 of the Revised Code is guilty of a felony of the fourth degree.

No court shall authorize work release during the mandatory jail term of three, ten, or

thirty consecutive days that the court is required by division (G)(1), (2), or (3) of this section to impose. If the court imposes restitution, the court shall order that the restitution be made to the victim in open court, to the adult probation department that serves the county on behalf of the victim, to the clerk of courts, or to another agency designated by the court. If the court imposes restitution, at sentencing, the court shall determine the amount of restitution to be made by the offender. If the court imposes restitution, the court may base the amount of restitution it orders on an amount recommended by the victim, the offender, a presentence investigation report, estimates or receipts indicating the cost of repairing or replacing property, and other information, provided that the amount the court orders as restitution shall not exceed the amount of the economic loss suffered by the victim as a direct and proximate result of the commission of the offense. If the court decides to impose restitution, the court shall hold a hearing on restitution if the offender, victim, or survivor disputes the amount. All restitution payments shall be credited against any recovery of economic loss in a civil action brought by the victim or any survivor of the victim against the offender.

If the court imposes restitution, the court may order that the offender pay a surcharge of not more than five per cent of the amount of the restitution otherwise ordered to the entity responsible for collecting and processing restitution payments.

The victim or survivor may request that the prosecutor in the case file a motion, or the offender may file a motion, for modification of the payment terms of any restitution ordered. If the court grants the motion, it may modify the payment terms as it determines appropriate.

(2) Except as provided in division (B)(1), (3), or (4) of this section, a fine payable by the offender to the state, to a political subdivision, or as described in division (B)(2) of this section to one or more law enforcement agencies, with the amount of the fine based on a standard percentage of the offender's daily income over a period of time determined by the court and based upon the seriousness of the offense. In addition, the offender may be required to pay the fees specified in section 2929.38 of the Revised Code in accordance with that section.

If an offender alleges in an affidavit filed with the court prior to sentencing that the offender is indigent and unable to pay the mandatory fine and if the court determines the offender is an indigent person and is unable to pay the mandatory fine described in this division, the court shall not impose the mandatory fine upon the offender.

(2) Any mandatory fine imposed upon an offender under division (B)(1) of this section and any fine imposed upon an offender under division (A)(2) or (3) of this section for any fourth or fifth degree felony violation of any provision of Chapter 2925., 3719., or 4729. of the Revised Code shall be paid to law enforcement agencies pursuant to division (F) of section 2925.03 of the Revised Code.

(3) For a fourth degree felony OVI offense and for a third degree felony OVI offense, the sentencing court shall impose upon the offender a

mandatory fine in the amount specified in division (G)(1)(d) or (e) of section 4511.19 of the Revised Code, whichever is applicable. The mandatory fine so imposed shall be disbursed as provided in the division pursuant to which it is imposed.

(4) Notwithstanding any fine otherwise authorized or required to be imposed under division (A)(2) or (3) or (B)(1) of this section or section 2929.31 of the Revised Code for a violation of section 2925.03 of the Revised Code, in addition to any penalty or sanction imposed for that offense under section 2925.03 or sections 2929.11 to 2929.18 of the Revised Code and in addition to the forfeiture of property in connection with the offense as prescribed in Chapter 2981. of the Revised Code, the court that sentences an offender for a violation of section 2925.03 of the Revised Code may impose upon the offender a fine in addition to any fine imposed under division (A)(2) or (3) of this section and in addition to any mandatory fine imposed under division (B)(1) of this section. The fine imposed under division (B)(4) of this section shall be used as provided in division (H) of section 2925.03 of the Revised Code. A fine imposed under division (B)(4) of this section shall not exceed whichever of the following is applicable:

(a) The total value of any personal or real property in which the offender has an interest and that was used in the course of, intended for use in the course of, derived from, or realized through conduct in violation of section 2925.03 of the Revised Code, including any property that constitutes proceeds derived from that offense;

(b) If the offender has no interest in any property of the type described in division (B)(4)(a) of this section or if it is not possible to ascertain whether the offender has an interest in any property of that type in which the offender may have an interest, the amount of the mandatory fine for the offense imposed under division (B)(1) of this section or, if no mandatory fine is imposed under division (B)(1) of this section, the amount of the fine authorized for the level of the offense imposed under division (A)(3) of this section.

(5) Prior to imposing a fine under division (B)(4) of this section, the court shall determine whether the offender has an interest in any property of the type described in division (B)(4)(a) of this section. Except as provided in division (B)(6) or (7) of this section, a fine that is authorized and imposed under division (B)(4) of this section does not limit or affect the imposition of the penalties and sanctions for a violation of section 2925.03 of the Revised Code prescribed under those sections or sections 2929.11 to 2929.18 of the Revised Code and does not limit or affect a forfeiture of property in connection with the offense as prescribed in Chapter 2981. of the

Revised Code.

(6) If the sum total of a mandatory fine amount imposed for a first, second, or third degree felony violation of section 2925.03 of the Revised Code under division (B)(1) of this section plus the amount of any fine imposed under division (B)(4) of this section does not exceed the maximum statutory fine amount authorized for the level of the offense under division (A)(3) of this section or section 2929.31 of the Revised Code, the court may impose a fine for the offense in addition to the mandatory fine and the fine imposed under division (B)(4) of this section. The sum total of the amounts of the mandatory fine, the fine imposed under division (B)(4) of this section, and the additional fine imposed under division (B)(6) of this section shall not exceed the maximum statutory fine amount authorized for the level of the offense under division (A)(3) of this section or section 2929.31 of the Revised Code. The clerk of the court shall pay any fine that is imposed under division (B)(6) of this section to the county, township, municipal corporation, park district as created pursuant to section 511.18 or 1545.04 of the Revised Code, or state law enforcement agencies in this state that primarily were responsible for or involved in making the arrest of, and in prosecuting, the offender pursuant to division (F) of section 2925.03 of the Revised Code.

(C)(1) The offender shall pay reimbursements imposed upon the offender pursuant to division (A)(5)(a) of this section to pay the costs incurred by the department of rehabilitation and correction in operating a prison or other facility used to confine offenders pursuant to sanctions imposed under section 2929.14, 2929.142, or 2929.16 of the Revised Code to the treasurer of state. The treasurer of state shall deposit the reimbursements in the confinement cost reimbursement fund that is hereby created in the state treasury. The department of rehabilitation and correction shall use the amounts deposited in the fund to fund the operation of facilities used to confine offenders pursuant to sections 2929.14, 2929.142, and 2929.16 of the Revised Code.

(2) Except as provided in section 2951.021 of the Revised Code, the offender shall pay reimbursements imposed upon the offender pursuant to

division (A)(5)(a) of this section to pay the costs incurred by a county pursuant to any sanction imposed under this section or section 2929.16 or 2929.17 of the Revised Code or in operating a facility used to confine offenders pursuant to a sanction imposed under section 2929.16 of the Revised Code to the county treasurer. The county treasurer shall deposit the reimbursements in the sanction cost reimbursement fund that each board of county commissioners shall create in its county treasury. The county shall use the amounts deposited in the fund to pay the costs incurred by the county pursuant to any sanction imposed under this section or section 2929.16 or 2929.17 of the Revised Code or in operating a facility used to confine offenders pursuant to a sanction imposed under section 2929.16 of the Revised Code.

(3) Except as provided in section 2951.021 of the Revised Code, the offender shall pay reimbursements imposed upon the offender pursuant to division (A)(5)(a) of this section to pay the costs incurred by a municipal corporation pursuant to any sanction imposed under this section or section 2929.16 or 2929.17 of the Revised Code or in operating a facility used to confine offenders pursuant to a sanction imposed under section 2929.16 of the Revised Code to the treasurer of the municipal corporation. The treasurer shall deposit the reimbursements in a special fund that shall be established in the treasury of each municipal corporation. The municipal corporation shall use the amounts deposited in the fund to pay the costs incurred by the municipal corporation pursuant to any sanction imposed under this section or section 2929.16 or 2929.17 of the Revised Code or in operating a facility used to confine offenders pursuant to a sanction imposed under section 2929.16 of the Revised Code.

(4) Except as provided in section 2951.021 of the Revised Code, the offender shall pay reimbursements imposed pursuant to division (A)(5)(a) of this section for the costs incurred by a private provider pursuant to a sanction imposed under this section or section 2929.16 or 2929.17 of the Revised Code to the provider.

(D) Except as otherwise provided in this division, a financial sanction imposed pursuant to division (A) or (B) of this section is a judgment in favor of the state or a political subdivision in which the court that imposed the financial sanction is located, and the offender subject to the financial sanction is the judgment debtor. A financial sanction of reimbursement imposed pursuant to division (A)(5)(a)(ii) of this section upon an offender who is incarcerated in a state facility or a municipal jail is a judgment in favor of the state or the municipal corporation, and the offender subject to the financial sanction is the judgment debtor. A financial sanction of

reimbursement imposed upon an offender pursuant to this section for costs incurred by a private provider of sanctions is a judgment in favor of the private provider, and the offender subject to the financial sanction is the judgment debtor. A financial sanction of restitution imposed pursuant to this section is an order in favor of the victim of the offender's criminal act that can be collected through execution as described in division (D)(1) of this section or through an order as described in division (D)(2) of this section, and the offender shall be considered for purposes of the collection as the judgment debtor. Imposition of a financial sanction and execution on the judgment does not preclude any other power of the court to impose or enforce sanctions on the offender. Once the financial sanction is imposed as a judgment or order under this division, the victim, private provider, state, or political subdivision may bring an action to do any of the following:

(1) Obtain execution of the judgment or order through any available procedure, including:

(a) An execution against the property of the judgment debtor under Chapter 2329. of the Revised Code;

(b) An execution against the person of the judgment debtor under Chapter 2331. of the Revised Code;

(iii) A creditor's suit under section 2333.01 of the Revised Code.

(d) The attachment of the property of the judgment debtor under Chapter 2715. of the Revised Code;

(e) The garnishment of the property of the judgment debtor under Chapter 2716. of the Revised Code.

(2) Obtain an order for the assignment of wages of the judgment debtor under section 1321.33 of the Revised Code.

(E) A court that imposes a financial sanction upon an offender may hold a hearing if necessary to determine whether the offender is able to pay the sanction or is likely in the future to be able to pay it.

(F) Each court imposing a financial sanction upon an offender under this section or under section 2929.32 of the Revised Code may designate the clerk of the court or another person to collect the financial sanction. The clerk or other person authorized by law or the court to collect the financial

sanction may enter into contracts with one or more public agencies or private vendors for the collection of, amounts due under the financial sanction imposed pursuant to this section or section 2929.32 of the Revised Code. Before entering into a contract for the collection of amounts due from an offender pursuant to any financial sanction imposed pursuant to this section or section 2929.32 of the Revised Code, a court shall comply with sections 307.86 to 307.92 of the Revised Code.

(G) If a court that imposes a financial sanction under division (A) or (B) of this section finds that an offender satisfactorily has completed all other sanctions imposed upon the offender and that all restitution that has been ordered has been paid as ordered, the court may suspend any financial sanctions imposed pursuant to this section or section 2929.32 of the Revised Code that have not been paid.

(H) No financial sanction imposed under this section or section 2929.32 of the Revised Code shall preclude a victim from bringing a civil action against the offender.

Sec. 2929.28. (A) In addition to imposing court costs pursuant to section 2947.23 of the Revised Code, the court imposing a sentence upon an offender for a misdemeanor, including a minor misdemeanor, may sentence the offender to any financial sanction or combination of financial sanctions authorized under this section. If the court in its discretion imposes one or more financial sanctions, the financial sanctions that may be imposed pursuant to this section include, but are not limited to, the following:

(1) Unless the misdemeanor offense is a minor misdemeanor or could be disposed of by the traffic violations bureau serving the court under Traffic Rule 13, restitution by the offender to the victim of the offender's crime or any survivor of the victim, in an amount based on the victim's economic loss. The court may not impose restitution as a sanction pursuant to this division if the offense is a minor misdemeanor or could be disposed of by the traffic violations bureau serving the court under Traffic Rule 13. If the court requires restitution, the court shall order that the restitution be made to the victim in open court or to the adult probation department that serves the jurisdiction or the clerk of the court on behalf of the victim.

If the court imposes restitution, the court shall determine the amount of restitution to be paid by the offender. If the court imposes restitution, the court may base the amount of restitution it orders on an amount recommended by the victim, the offender, a presentence investigation report, estimates or receipts indicating the cost of repairing or replacing property, and other information, provided that the amount the court orders as restitution shall not exceed the amount of the economic loss suffered by the

victim as a direct and proximate result of the commission of the offense. If the court decides to impose restitution, the court shall hold an evidentiary hearing on restitution if the offender, victim, or survivor disputes the amount of restitution. If the court holds an evidentiary hearing, at the hearing the victim or survivor has the burden to prove by a preponderance of the evidence the amount of restitution sought from the offender.

All restitution payments shall be credited against any recovery of economic loss in a civil action brought by the victim or any survivor of the victim against the offender.

If the court imposes restitution, the court may order that the offender pay a surcharge, of not more than five per cent of the amount of the restitution otherwise ordered, to the entity responsible for collecting and processing restitution payments.

The victim or survivor may request that the prosecutor in the case file a motion, or the offender may file a motion, for modification of the payment terms of any restitution ordered. If the court grants the motion, it may modify the payment terms as it determines appropriate.

(2) A fine of the type described in divisions (A)(2)(a) and (b) of this section payable to the appropriate entity as required by law:

(a) A fine in the following amount:

(i) For a misdemeanor of the first degree, not more than one thousand dollars;

(ii) For a misdemeanor of the second degree, not more than seven hundred fifty dollars;

(iii) For a misdemeanor of the third degree, not more than five hundred dollars;

(iv) For a misdemeanor of the fourth degree, not more than two hundred fifty dollars;

(v) For a minor misdemeanor, not more than one hundred fifty dollars.

(b) A state fine or cost as defined in section 2949.111 of the Revised Code.

(3)(a) Reimbursement by the offender of any or all of the costs of sanctions incurred by the government, including, but not limited to, the following:

(i) All or part of the costs of implementing any community control sanction, including a supervision fee under section 2951.021 of the Revised Code;

(ii) All or part of the costs of confinement in a jail or other residential facility, including, but not limited to, a per diem fee for room and board, the costs of medical and dental treatment, and the costs of repairing property

damaged by the offender while confined;

(iii) All or part of the cost of purchasing and using an immobilizing or disabling device, including a certified ignition interlock device, or a remote alcohol monitoring device that a court orders an offender to use under section 4510.13 of the Revised Code.

(b) The amount of reimbursement ordered under division (A)(3)(a) of this section shall not exceed the total amount of reimbursement the offender is able to pay and shall not exceed the actual cost of the sanctions. The court may collect any amount of reimbursement the offender is required to pay under that division. If the court does not order reimbursement under that division, confinement costs may be assessed pursuant to a repayment policy adopted under section 2929.37 of the Revised Code. In addition, the offender may be required to pay the fees specified in section 2929.38 of the Revised Code in accordance with that section.

(B) If the court determines a hearing is necessary, the court may hold a hearing to determine whether the offender is able to pay the financial sanction imposed pursuant to this section or court costs or is likely in the future to be able to pay the sanction or costs.

If the court determines that the offender is indigent and unable to pay the financial sanction or court costs, the court shall consider imposing and may impose a term of community service under division (A) of section 2929.27 of the Revised Code in lieu of imposing a financial sanction or court costs. If the court does not determine that the offender is indigent, the court may impose a term of community service under division (A) of section 2929.27 of the Revised Code in lieu of or in addition to imposing a financial sanction under this section and in addition to imposing court costs. The court may order community service for a minor misdemeanor pursuant to division (C) of section 2929.27 of the Revised Code in lieu of or in addition to imposing a financial sanction under this section and in addition to imposing court costs. If a person fails to pay a financial sanction or court costs, the court may order community service in lieu of the financial sanction or court costs.

(C)(1) The offender shall pay reimbursements imposed upon the offender pursuant to division (A)(3) of this section to pay the costs incurred by a county pursuant to any sanction imposed under this section or section 2929.26 or 2929.27 of the Revised Code or in operating a facility used to confine offenders pursuant to a sanction imposed under section 2929.26 of the Revised Code to the county treasurer. The county treasurer shall deposit the reimbursements in the county's general fund. The county shall use the amounts deposited in the fund to pay the costs incurred by the county

pursuant to any sanction imposed under this section or section 2929.26 or 2929.27 of the Revised Code or in operating a facility used to confine offenders pursuant to a sanction imposed under section 2929.26 of the Revised Code.

(2) The offender shall pay reimbursements imposed upon the offender pursuant to division (A)(3) of this section to pay the costs incurred by a municipal corporation pursuant to any sanction imposed under this section or section 2929.26 or 2929.27 of the Revised Code or in operating a facility used to confine offenders pursuant to a sanction imposed under section 2929.26 of the Revised Code to the treasurer of the municipal corporation. The treasurer shall deposit the reimbursements in the municipal corporation's general fund. The municipal corporation shall use the amounts deposited in the fund to pay the costs incurred by the municipal corporation pursuant to any sanction imposed under this section or section 2929.26 or 2929.27 of the Revised Code or in operating a facility used to confine offenders pursuant to a sanction imposed under section 2929.26 of the Revised Code.

(3) The offender shall pay reimbursements imposed pursuant to division (A)(3) of this section for the costs incurred by a private provider pursuant to a sanction imposed under this section or section 2929.26 or 2929.27 of the Revised Code to the provider.

(D) Except as otherwise provided in this division, a financial sanction imposed under division (A) of this section is a judgment in favor of the state or the political subdivision that operates the court that imposed the financial sanction, and the offender subject to the financial sanction is the judgment debtor. A financial sanction of reimbursement imposed pursuant to division (A)(3)(a)(i) of this section upon an offender is a judgment in favor of the entity administering the community control sanction, and the offender subject to the financial sanction is the judgment debtor. A financial sanction of reimbursement imposed pursuant to division (A)(3)(a)(ii) of this section upon an offender confined in a jail or other residential facility is a judgment in favor of the entity operating the jail or other residential facility, and the offender subject to the financial sanction is the judgment debtor. A financial sanction of restitution imposed pursuant to division (A)(1) of this section is an order in favor of the victim of the offender's criminal act that can be collected through execution as described in division (D)(1) of this section or through an order as described in division (D)(2) of this section and the offender shall be considered for purposes of the collection as the judgment debtor.

Once the financial sanction is imposed as a judgment or order under this

division, the victim, private provider, state, or political subdivision may bring an action to do any of the following:

(1) Obtain execution of the judgment or order through any available procedure, including any of the procedures identified in divisions (D)(1)(a) to (e) of section 2929.18 of the Revised Code.

(2) Obtain an order for the assignment of wages of the judgment debtor under section 1321.33 of the Revised Code.

(E) The civil remedies authorized under division (D) of this section for the collection of the financial sanction supplement, but do not preclude, enforcement of the criminal sentence.

(F) Each court imposing a financial sanction upon an offender under this section may designate the clerk of the court or another person to collect the financial sanction. The clerk, or another person authorized by law or the court to collect the financial sanction may do the following:

(1) Enter into contracts with one or more public agencies or private vendors for the collection of amounts due under the sanction. Before entering into a contract for the collection of amounts due from an offender pursuant to any financial sanction imposed pursuant to this section, a court shall comply with sections 307.86 to 307.92 of the Revised Code.

(2) Permit payment of all or any portion of the sanction in installments, by financial transaction device if the court is a county court or a municipal court operated by a county, by credit or debit card or by another electronic transfer if the court is a municipal court not operated by a county, or by any other reasonable method, in any time, and on any terms that court considers just, except that the maximum time permitted for payment shall not exceed five years. If the court is a county court or a municipal court operated by a county, the acceptance of payments by any financial transaction device shall be governed by the policy adopted by the board of county commissioners of the county pursuant to section 301.28 of the Revised Code. If the court is a municipal court not operated by a county, the clerk may pay any fee associated with processing an electronic transfer out of public money or may charge the fee to the offender.

(3) To defray administrative costs, charge a reasonable fee to an offender who elects a payment plan rather than a lump sum payment of any financial sanction.

(G) No financial sanction imposed under this section shall preclude a victim from bringing a civil action against the offender.

Sec. 2945.75. (A) When the presence of one or more additional elements makes an offense one of more serious degree:

(1) The affidavit, complaint, indictment, or information either shall state

the degree of the offense which the accused is alleged to have committed, or shall allege such additional element or elements. Otherwise, such affidavit, complaint, indictment, or information is effective to charge only the least degree of the offense.

(2) A guilty verdict shall state either the degree of the offense of which the offender is found guilty, or that such additional element or elements are present. Otherwise, a guilty verdict constitutes a finding of guilty of the least degree of the offense charged.

(B)(1) Whenever in any case it is necessary to prove a prior conviction, a certified copy of the entry of judgment in such prior conviction together with evidence sufficient to identify the defendant named in the entry as the offender in the case at bar, is sufficient to prove such prior conviction.

(2) Whenever in any case it is necessary to prove a prior conviction of an offense for which the registrar of motor vehicles maintains a record, a certified copy of the record that shows the name, date of birth, and social security number of the accused is prima-facie evidence of the identity of the accused and prima-facie evidence of all prior convictions shown on the record. The accused may offer evidence to rebut the prima-facie evidence of the accused's identity and the evidence of prior convictions. Proof of a prior conviction of an offense for which the registrar maintains a record may also be proved as provided in division (B)(1) of this section.

(3) If the defendant claims a constitutional defect in any prior conviction, the defendant has the burden of proving the defect by a preponderance of the evidence.

Sec. 4503.231. (A) No motor vehicle registered in the name of a person whose certificate of registration and identification license plates have been impounded as provided by division (B)(1) of section 4507.02 of the Revised Code, and no vehicle that may be operated pursuant to an immobilization waiver order issued pursuant to section 4503.235 of the Revised Code, shall be operated on any highway in this state unless it displays restricted license plates that are a different color from those regularly issued and carry a special serial number that may be readily identified by law enforcement officers. The registrar of motor vehicles shall designate the color and serial number to be used on restricted license plates, which shall remain the same from year to year and shall not be displayed on any other motor vehicles.

The bureau of motor vehicles shall adopt rules providing for the decentralization of the issuance of restricted license plates under this section. The rules shall provide for the issuance of the restricted license plates by at least one agency in each county.

No person operating a motor vehicle displaying restricted license plates

as described in this division shall knowingly disguise or obscure the color of the restricted plate.

(B) If a person has been granted limited driving privileges with a condition of the privileges being that the person must display on the vehicle that is driven under the privileges restricted license plates that are described in this section, the person may operate a motor vehicle that is owned by the person's employer only if the person is required to operate that motor vehicle in the course and scope of the person's employment. Such a person may operate that vehicle without displaying on that vehicle restricted license plates that are issued under this section if the employer has been notified that the person has limited driving privileges and of the nature of the restriction and if the person has proof of the employer's notification in the person's possession while operating the employer's vehicle for normal business duties. A motor vehicle owned by a business that is partly or entirely owned or controlled by the person with the limited driving privileges is not a motor vehicle owned by an employer, for purposes of this division.

(C) Whoever violates this section is guilty of a minor misdemeanor.

Sec. 4503.233. (A)(1) If a court ~~orders~~ is required to order the immobilization of a vehicle for a specified period of time pursuant to section 4510.11, 4510.14, 4510.16, 4510.161, 4510.41, 4511.19, 4511.193, or 4511.203 of the Revised Code, the court, subject to section 4503.235 of the Revised Code, shall issue the immobilization order in accordance with this division and for the period of time specified in the particular section, and the immobilization under the order shall be in accordance with this section. The court, at the time of sentencing the offender for the offense relative to which the immobilization order is issued or as soon thereafter as is practicable, shall give a copy of the order to the offender or the offender's counsel. The court promptly shall send a copy of the order to the registrar on a form prescribed by the registrar and to the person or agency it designates to execute the order.

The order shall indicate the date on which it is issued, shall identify the vehicle that is subject to the order, and shall specify all of the following:

(a) The period of the immobilization;

(b) The place at which the court determines that the immobilization shall be carried out, provided that the court shall not determine and shall not specify that the immobilization is to be carried out at any place other than a commercially operated private storage lot, a place owned by a law enforcement or other government agency, or a place to which one of the following applies:

(i) The place is leased by or otherwise under the control of a law enforcement or other government agency.

(ii) The place is owned by the offender, the offender's spouse, or a parent or child of the offender.

(iii) The place is owned by a private person or entity, and, prior to the issuance of the order, the private entity or person that owns the place, or the authorized agent of that private entity or person, has given express written consent for the immobilization to be carried out at that place.

(iv) The place is a public street or highway on which the vehicle is parked in accordance with the law.

(c) The person or agency designated by the court to execute the order, which shall be either the law enforcement agency that employs the law enforcement officer who seized the vehicle, a bailiff of the court, another person the court determines to be appropriate to execute the order, or the law enforcement agency with jurisdiction over the place of residence of the vehicle owner;

(d) That neither the registrar nor a deputy registrar will be permitted to accept an application for the license plate registration of any motor vehicle in the name of the vehicle owner until the immobilization fee is paid.

(2) The person or agency the court designates to immobilize the vehicle shall seize or retain that vehicle's license plates and forward them to the bureau of motor vehicles.

(3) In all cases, the offender shall be assessed an immobilization fee of one hundred dollars, and the immobilization fee shall be paid to the registrar before the vehicle may be released to the offender. Neither the registrar nor a deputy registrar shall accept an application for the registration of any motor vehicle in the name of the offender until the immobilization fee is paid.

(4) If the vehicle subject to the order is immobilized pursuant to the order and is found being operated upon any street or highway in this state during the immobilization period, it shall be seized, removed from the street or highway, and criminally forfeited and disposed of pursuant to section 4503.234 of the Revised Code.

(5) The registrar shall deposit the immobilization fee into the law enforcement reimbursement fund created by section 4501.19 of the Revised Code. Money in the fund shall be expended only as provided in division (A)(5) of this section. If the court designated in the order a court bailiff or another appropriate person other than a law enforcement officer to immobilize the vehicle, the amount of the fee deposited into the law enforcement reimbursement fund shall be paid out to the county treasury if

the court that issued the order is a county court, to the treasury of the municipal corporation served by the court if the court that issued the order is a mayor's court, or to the city treasury of the legislative authority of the court, both as defined in section 1901.03 of the Revised Code, if the court that issued the order is a municipal court. If the court designated a law enforcement agency to immobilize the vehicle and if the law enforcement agency immobilizes the vehicle, the amount of the fee deposited into the law enforcement reimbursement fund shall be paid out to the law enforcement agency to reimburse the agency for the costs it incurs in obtaining immobilization equipment and, if required, in sending an officer or other person to search for and locate the vehicle specified in the immobilization order and to immobilize the vehicle.

In addition to the immobilization fee required to be paid under division (A)(3) of this section, the offender may be charged expenses or charges incurred in the removal and storage of the immobilized vehicle.

(B) If a court issues an immobilization order under division (A)(1) of this section, the person or agency designated by the court to execute the immobilization order promptly shall immobilize or continue the immobilization of the vehicle at the place specified by the court in the order. The registrar shall not authorize the release of the vehicle or authorize the issuance of new identification license plates for the vehicle at the end of the immobilization period until the immobilization fee has been paid.

(C) Upon receipt of the license plates for a vehicle under this section, the registrar shall destroy the license plates. At the end of the immobilization period and upon the payment of the immobilization fee that must be paid under this section, the registrar shall authorize the release of the vehicle and authorize the issuance, upon the payment of the same fee as is required for the replacement of lost, mutilated, or destroyed license plates and certificates of registration, of new license plates and, if necessary, a new certificate of registration to the offender for the vehicle in question.

(D)(1) If a court issues an immobilization order under division (A) of this section, the immobilization period commences on the day on which the vehicle in question is immobilized. If the vehicle in question had been seized under section 4510.41 or 4511.195 of the Revised Code, the time between the seizure and the beginning of the immobilization period shall be credited against the immobilization period specified in the immobilization order issued under division (A) of this section. No vehicle that is immobilized under this section is eligible to have restricted license plates under section 4503.231 of the Revised Code issued for that vehicle.

(2) If a court issues an immobilization order under division (A) of this

section, if the vehicle subject to the order is immobilized under the order, and if the vehicle is found being operated upon any street or highway of this state during the immobilization period, it shall be seized, removed from the street or highway, and criminally forfeited, and disposed of pursuant to section 4503.234 of the Revised Code. No vehicle that is forfeited under this provision shall be considered contraband for purposes of Chapter 2981. of the Revised Code, but shall be held by the law enforcement agency that employs the officer who seized it for disposal in accordance with section 4503.234 of the Revised Code.

(3) If a court issues an immobilization order under division (A) of this section, and if the vehicle is not claimed within seven days after the end of the period of immobilization or if the offender has not paid the immobilization fee, the person or agency that immobilized the vehicle shall send a written notice to the offender at the offender's last known address informing the offender of the date on which the period of immobilization ended, that the offender has twenty days after the date of the notice to pay the immobilization fee and obtain the release of the vehicle, and that if the offender does not pay the fee and obtain the release of the vehicle within that twenty-day period, the vehicle will be forfeited under section 4503.234 of the Revised Code to the entity that is entitled to the immobilization fee.

(4) An offender whose motor vehicle is subject to an immobilization order issued under division (A) of this section shall not sell the motor vehicle without approval of the court that issued the order. If such an offender wishes to sell the motor vehicle during the immobilization period, the offender shall apply to the court that issued the immobilization order for permission to assign the title to the vehicle. If the court is satisfied that the sale will be in good faith and not for the purpose of circumventing the provisions of division (A)(1) of this section, it may certify its consent to the offender and to the registrar. Upon receipt of the court's consent, the registrar shall enter the court's notice in the offender's vehicle license plate registration record.

If, during a period of immobilization under an immobilization order issued under division (A) of this section, the title to the immobilized motor vehicle is transferred by the foreclosure of a chattel mortgage, a sale upon execution, the cancellation of a conditional sales contract, or an order of a court, the involved court shall notify the registrar of the action, and the registrar shall enter the court's notice in the offender's vehicle license plate registration record.

Nothing in this section shall be construed as requiring the registrar or the clerk of the court of common pleas to note upon the certificate of title

records any prohibition regarding the sale of a motor vehicle.

(5) If the title to a motor vehicle that is subject to an immobilization order under division (A) of this section is assigned or transferred without court approval between the time of arrest of the offender who committed the offense for which such an order is to be issued and the time of the actual immobilization of the vehicle, the court shall order that, for a period of two years from the date of the order, neither the registrar nor any deputy registrar shall accept an application for the registration of any motor vehicle in the name of the offender whose vehicle was assigned or transferred without court approval. The court shall notify the registrar of the order on a form prescribed by the registrar for that purpose.

(6) If the title to a motor vehicle that is subject to an immobilization order under division (A) of this section is assigned or transferred without court approval in violation of division (D)(4) of this section, then, in addition to or independent of any other penalty established by law, the court may fine the offender the value of the vehicle as determined by publications of the national auto dealers association. The proceeds from any fine so imposed shall be distributed in the same manner as the proceeds of the sale of a forfeited vehicle are distributed pursuant to division (C)(2) of section 4503.234 of the Revised Code.

(E)(1) The court with jurisdiction over the case, after notice to all interested parties including lienholders, and after an opportunity for them to be heard, if the offender fails to appear in person, without good cause, or if the court finds that the offender does not intend to seek release of the vehicle at the end of the period of immobilization or that the offender is not or will not be able to pay the expenses and charges incurred in its removal and storage, may order that title to the vehicle be transferred, in order of priority, first into the name of the entity entitled to the immobilization fee under division (A)(5) of this section, next into the name of a lienholder, or lastly, into the name of the owner of the place of storage.

A lienholder that receives title under a court order shall do so on the condition that it pay any expenses or charges incurred in the vehicle's removal and storage. If the entity that receives title to the vehicle is the entity that is entitled to the immobilization fee under division (A)(5) of this section, it shall receive title on the condition that it pay any lien on the vehicle. The court shall not order that title be transferred to any person or entity other than the owner of the place of storage if the person or entity refuses to receive the title. Any person or entity that receives title may either keep title to the vehicle or may dispose of the vehicle in any legal manner that it considers appropriate, including assignment of the certificate of title

to the motor vehicle to a salvage dealer or a scrap metal processing facility. The person or entity shall not transfer the vehicle to the person who is the vehicle's immediate previous owner.

If the person or entity assigns the motor vehicle to a salvage dealer or scrap metal processing facility, the person or entity shall send the assigned certificate of title to the motor vehicle to the clerk of the court of common pleas of the county in which the salvage dealer or scrap metal processing facility is located. The person or entity shall mark the face of the certificate of title with the words "FOR DESTRUCTION" and shall deliver a photocopy of the certificate of title to the salvage dealer or scrap metal processing facility for its records.

(2) Whenever a court issues an order under division (E)(1) of this section, the court also shall order removal of the license plates from the vehicle and cause them to be sent to the registrar if they have not already been sent to the registrar. Thereafter, no further proceedings shall take place under this section, but the offender remains liable for payment of the immobilization fee described in division (A)(3) of this section if an immobilization order previously had been issued by the court.

(3) Prior to initiating a proceeding under division (E)(1) of this section, and upon payment of the fee under division (B) of section 4505.14 of the Revised Code, any interested party may cause a search to be made of the public records of the bureau of motor vehicles or the clerk of the court of common pleas, to ascertain the identity of any lienholder of the vehicle. The initiating party shall furnish this information to the clerk of the court with jurisdiction over the case, and the clerk shall provide notice to the vehicle owner, the defendant, any lienholder, and any other interested parties listed by the initiating party, at the last known address supplied by the initiating party, by certified mail or, at the option of the initiating party, by personal service or ordinary mail.

As used in this section, "interested party" includes the offender, all lienholders, the owner of the place of storage, the person or entity that caused the vehicle to be removed, and the person or entity, if any, entitled to the immobilization fee under division (A)(5) of this section.

Sec. 4503.235. (A) If division (G) of section 4511.19 or division (B) of section 4511.193 of the Revised Code requires a court, as part of the sentence of an offender who is convicted of or pleads guilty to a violation of division (A) of section 4511.19 of the Revised Code or as a sanction for an offender who is convicted of or pleaded guilty to a violation of a municipal OVI ordinance, to order the immobilization of a vehicle for a specified period of time, notwithstanding the requirement, the court in its discretion

may determine not to order the immobilization of the vehicle if both of the following apply:

(1) Prior to the issuance of the order of immobilization, a family or household member of the offender files a motion with the court identifying the vehicle and requesting that the immobilization order not be issued on the ground that the family or household member is completely dependent on the vehicle for the necessities of life and that the immobilization of the vehicle would be an undue hardship to the family or household member.

(2) The court determines that the family or household member who files the motion is completely dependent on the vehicle for the necessities of life and that the immobilization of the vehicle would be an undue hardship to the family or household member.

(B) If a court pursuant to division (A) of this section determines not to order the immobilization of a vehicle that otherwise would be required pursuant to division (G) of section 4511.19 or division (B) of section 4511.193 of the Revised Code, the court shall issue an order that waives the immobilization that otherwise would be required pursuant to either of those divisions. The immobilization waiver order shall be in effect for the period of time for which the immobilization of the vehicle otherwise would have been required under division (G) of section 4511.19 or division (B) of section 4511.193 of the Revised Code if the immobilization waiver order had not been issued, subject to division (D) of this section. The immobilization waiver order shall specify the period of time for which it is in effect. The court shall provide a copy of an immobilization waiver order to the offender and to the family or household member of the offender who filed the motion requesting that the immobilization order not be issued and shall place a copy of the immobilization waiver order in the record in the case. The court shall impose an immobilization waiver fee in the amount of fifty dollars. The court shall determine whether the fee is to be paid by the offender or by the family or household member. The clerk of the court shall deposit the fee in the state treasury to the credit of the indigent drivers alcohol treatment fund, created under division (F) of section 4511.191 of the Revised Code.

(C) If a court pursuant to division (B) of this section issues an immobilization waiver order, the order shall identify the family or household member who requested the order and the vehicle to which the order applies, shall identify the family or household members who are permitted to operate the vehicle, and shall identify the offender and specify that the offender is not permitted to operate the vehicle. The immobilization waiver order shall require that the family or household member display on

the vehicle to which the order applies restricted license plates that are issued under section 4503.231 of the Revised Code for the entire period for which the immobilization of the vehicle otherwise would have been required under division (G) of section 4511.19 or division (B) of section 4511.193 of the Revised Code if the immobilization waiver order had not been issued.

(D) A family or household member who is permitted to operate a vehicle under an immobilization waiver order issued under this section shall not permit the offender to operate the vehicle. If a family or household member who is permitted to operate a vehicle under an immobilization waiver order issued under this section permits the offender to operate the vehicle, both of the following apply:

(1) The court that issued the immobilization waiver order shall terminate that order and shall issue an immobilization order in accordance with section 4503.233 of the Revised Code that applies to the vehicle, and the immobilization order shall be in effect for the remaining period of time for which the immobilization of the vehicle otherwise would have been required under division (G) of section 4511.19 or division (B) of section 4511.193 of the Revised Code if the immobilization waiver order had not been issued.

(2) The conduct of the family or household member in permitting the offender to operate the vehicle is a violation of section 4511.203 of the Revised Code.

(E) No offender shall operate a motor vehicle subject to an immobilization waiver order. Whoever violates this division is guilty of operating a motor vehicle in violation of an immobilization waiver, a misdemeanor of the first degree.

(F) "Family or household member" has the same meaning as in section 2919.25 of the Revised Code, except that the person must be currently residing with the offender.

Sec. 4510.13. (A)(1) Divisions (A)(2) to ~~(7)~~(9) of this section apply to a judge or mayor regarding the suspension of, or the grant of limited driving privileges during a suspension of, an offender's driver's or commercial driver's license or permit or nonresident operating privilege imposed under division (G) or (H) of section 4511.19 of the Revised Code, under division (B) or (C) of section 4511.191 of the Revised Code, or under section 4510.07 of the Revised Code for a conviction of a violation of a municipal OVI ordinance.

(2) No judge or mayor shall suspend the following portions of the suspension of an offender's driver's or commercial driver's license or permit or nonresident operating privilege imposed under division (G) or (H) of

section 4511.19 of the Revised Code or under section 4510.07 of the Revised Code for a conviction of a violation of a municipal OVI ordinance, provided that division (A)(2) of this section does not limit a court or mayor in crediting any period of suspension imposed pursuant to division (B) or (C) of section 4511.191 of the Revised Code against any time of judicial suspension imposed pursuant to section 4511.19 or 4510.07 of the Revised Code, as described in divisions (B)(2) and (C)(2) of section 4511.191 of the Revised Code:

(a) The first six months of a suspension imposed under division (G)(1)(a) of section 4511.19 of the Revised Code or of a comparable length suspension imposed under section 4510.07 of the Revised Code;

(b) The first year of a suspension imposed under division (G)(1)(b) or (c) of section 4511.19 of the Revised Code or of a comparable length suspension imposed under section 4510.07 of the Revised Code;

(c) The first three years of a suspension imposed under division (G)(1)(d) or (e) of section 4511.19 of the Revised Code or of a comparable length suspension imposed under section 4510.07 of the Revised Code;

(d) The first sixty days of a suspension imposed under division (H) of section 4511.19 of the Revised Code or of a comparable length suspension imposed under section 4510.07 of the Revised Code.

(3) No judge or mayor shall grant limited driving privileges to an offender whose driver's or commercial driver's license or permit or nonresident operating privilege has been suspended under division (G) or (H) of section 4511.19 of the Revised Code, under division (C) of section 4511.191 of the Revised Code, or under section 4510.07 of the Revised Code for a municipal OVI conviction if the offender, within the preceding six years, has been convicted of or pleaded guilty to three or more violations of one or more of the Revised Code sections, municipal ordinances, statutes of the United States or another state, or municipal ordinances of a municipal corporation of another state that are identified in divisions (G)(2)(b) to (h) of section 2919.22 of the Revised Code.

Additionally, no judge or mayor shall grant limited driving privileges to an offender whose driver's or commercial driver's license or permit or nonresident operating privilege has been suspended under division (B) of section 4511.191 of the Revised Code if the offender, within the preceding six years, has refused three previous requests to consent to a chemical test of the person's whole blood, blood serum or plasma, breath, or urine to determine its alcohol content.

(4) No judge or mayor shall grant limited driving privileges for employment as a driver of commercial motor vehicles to an offender whose

driver's or commercial driver's license or permit or nonresident operating privilege has been suspended under division (G) or (H) of section 4511.19 of the Revised Code, under division (B) or (C) of section 4511.191 of the Revised Code, or under section 4510.07 of the Revised Code for a municipal OVI conviction if the offender is disqualified from operating a commercial motor vehicle, or whose license or permit has been suspended, under section 3123.58 or 4506.16 of the Revised Code.

(5) No judge or mayor shall grant limited driving privileges to an offender whose driver's or commercial driver's license or permit or nonresident operating privilege has been suspended under division (G) or (H) of section 4511.19 of the Revised Code, under division (C) of section 4511.191 of the Revised Code, or under section 4510.07 of the Revised Code for a conviction of a violation of a municipal OVI ordinance during any of the following periods of time:

(a) The first fifteen days of a suspension imposed under division (G)(1)(a) of section 4511.19 of the Revised Code or a comparable length suspension imposed under section 4510.07 of the Revised Code, or of a suspension imposed under division (C)(1)(a) of section 4511.191 of the Revised Code. On or after the sixteenth day of the suspension, the court may grant limited driving privileges, but the court may require that the offender shall not exercise the privileges unless the vehicles the offender operates are equipped with immobilizing or disabling devices that monitor the offender's alcohol consumption or any other type of immobilizing or disabling devices, except as provided in division (C) of section 4510.43 of the Revised Code.

(7) In any case in which a judge or mayor grants limited driving privileges to an offender whose driver's or commercial driver's license or permit or nonresident operating privilege has been suspended under division (G)(1)(b), (c), (d), or (e) of section 4511.19 of the Revised Code, under division (G)(1)(a) of section 4511.19 of the Revised Code for a violation of division (A)(1)(f), (g), (h), or (i) of that section, or under section 4510.07 of the Revised Code for a municipal OVI conviction for which sentence would have been imposed under division (G)(1)(a)(ii) or (G)(1)(b), (c), (d), or (e) of section 4511.19 of the Revised Code had the offender been charged with and convicted of a violation of section 4511.19 of the Revised Code instead of a violation of the municipal OVI ordinance, the judge or mayor shall impose as a condition of the privileges that the offender must display on the vehicle that is driven subject to the privileges restricted license plates that are issued under section 4503.231 of the Revised Code, except as provided in division (B) of that section.

(8) In any case in which the offender operates a motor vehicle that is not equipped with an ignition interlock device, circumvents the device, or tampers with the device or in any case in which the court receives notice pursuant to section 4510.46 of the Revised Code that a certified ignition interlock device required by an order issued under division (A)(5)(e), (f), or (g) of this section prevented an offender from starting a motor vehicle, the following applies:

On a third instance or more, the court shall require

the offender to wear a monitor that provides continuous alcohol monitoring that is remote for a minimum of sixty days.

(b) If the offender was sentenced under division (G)(1)(c), (d), or (e) of section 4511.19 of the Revised Code, on a first instance the court shall require the offender to wear a monitor that provides continuous alcohol monitoring that is remote for a minimum of forty days. On a second instance or more, the court shall require the offender to wear a monitor that provides continuous alcohol monitoring that is remote for a minimum of sixty days.

(9) In any case in which the court issues an order under this section prohibiting an offender from exercising limited driving privileges unless the vehicles the offender operates are equipped with an immobilizing or disabling device, including a certified ignition interlock device, or requires an offender to wear a monitor that provides continuous alcohol monitoring that is remote, the court shall impose an additional court cost of two dollars and fifty cents upon the offender. The court shall not waive the payment of the two dollars and fifty cents unless the court determines that the offender is indigent and waives the payment of all court costs imposed upon the indigent offender. The clerk of court shall retain one hundred per cent of this court cost. The clerk of court shall transmit one hundred per cent of this court cost collected during a month on the first business day of the following month to the state treasury to be credited to the state highway safety fund created under section 4501.06 of the Revised Code, to be used by the department of public safety to cover costs associated with maintaining the habitual OVI/OMWI offender registry created under section 5502.10 of the Revised Code. In its discretion the court may impose an additional court cost of two dollars and fifty cents upon the offender. The clerk of court shall retain this two dollar and fifty cent court cost, if imposed, and shall deposit it in the court's special projects fund that is established under division (E)(1) of section 2303.201 or division (B)(1) of section 1901.26 of the Revised Code.

(10) In any case in which the court issues an order under this section prohibiting an offender from exercising limited driving privileges unless the vehicles the offender operates are equipped with an immobilizing or disabling device, including a certified ignition interlock device, the court shall notify the offender at the time the offender is granted limited driving privileges that, in accordance with section 4510.46 of the Revised Code, if the court receives notice that the device prevented the offender from starting the motor vehicle because the device was tampered with or circumvented or because the analysis of the deep-lung breath sample or other method employed by the device to measure the concentration by weight of alcohol

in the offender's breath indicated the presence of alcohol in the offender's breath in a concentration sufficient to prevent the device from permitting the motor vehicle to be started, the court may increase the period of suspension of the offender's driver's or commercial driver's license or permit or nonresident operating privilege from that originally imposed by the court by a factor of two and may increase the period of time during which the offender will be prohibited from exercising any limited driving privileges granted to the offender unless the vehicles the offender operates are equipped with a certified ignition interlock device by a factor of two.

(B) Any person whose driver's or commercial driver's license or permit or nonresident operating privilege has been suspended pursuant to section 4511.19 or 4511.191 of the Revised Code or under section 4510.07 of the Revised Code for a violation of a municipal OVI ordinance may file a petition for limited driving privileges during the suspension. The person shall file the petition in the court that has jurisdiction over the place of arrest. Subject to division (A) of this section, the court may grant the person limited driving privileges during the period during which the suspension otherwise would be imposed. However, the court shall not grant the privileges for employment as a driver of a commercial motor vehicle to any person who is disqualified from operating a commercial motor vehicle under section 4506.16 of the Revised Code or during any of the periods prescribed by division (A) of this section.

(C)(1) After a driver's or commercial driver's license or permit or nonresident operating privilege has been suspended pursuant to section 2903.06, 2903.08, 2903.11, 2907.24, 2921.331, 2923.02, 2929.02, 4511.19, 4511.251, 4549.02, 4549.021, or 5743.99 of the Revised Code, any provision of Chapter 2925. of the Revised Code, or section 4510.07 of the Revised Code for a violation of a municipal OVI ordinance, the judge of the court or mayor of the mayor's court that suspended the license, permit, or privilege shall cause the offender to deliver to the court the license or permit. The judge, mayor, or clerk of the court or mayor's court shall forward to the registrar the license or permit together with notice of the action of the court.

(2) A suspension of a commercial driver's license under any section or chapter identified in division (C)(1) of this section shall be concurrent with any period of suspension or disqualification under section 3123.58 or 4506.16 of the Revised Code. No person who is disqualified for life from holding a commercial driver's license under section 4506.16 of the Revised Code shall be issued a driver's license under this chapter during the period for which the commercial driver's license was suspended under this section,

and no person whose commercial driver's license is suspended under any section or chapter identified in division (C)(1) of this section shall be issued a driver's license under Chapter 4507. of the Revised Code during the period of the suspension.

(3) No judge or mayor shall suspend any class one suspension, or any portion of any class one suspension, imposed under section 2903.04, 2903.06, 2903.08, or 2921.331 of the Revised Code. No judge or mayor shall suspend the first thirty days of any class two, class three, class four, class five, or class six suspension imposed under section 2903.06, 2903.08, 2903.11, 2923.02, or 2929.02 of the Revised Code.

(D) The judge of the court or mayor of the mayor's court shall credit any time during which an offender was subject to an administrative suspension of the offender's driver's or commercial driver's license or permit or nonresident operating privilege imposed pursuant to section 4511.191 or 4511.192 of the Revised Code or a suspension imposed by a judge, referee, or mayor pursuant to division (B)(1) or (2) of section 4511.196 of the Revised Code against the time to be served under a related suspension imposed pursuant to any section or chapter identified in division (C)(1) of this section.

(E) The judge or mayor shall notify the bureau of motor vehicles of any determinations made pursuant to this section and of any suspension imposed pursuant to any section or chapter identified in division (C)(1) of this section.

(F)(1) If a court issues an immobilizing or disabling device order under section 4510.43 of the Revised Code, the order shall authorize the offender during the specified period to operate a motor vehicle only if it is equipped with an immobilizing or disabling device, except as provided in division (C) of that section. The court shall provide the offender with a copy of an immobilizing or disabling device order issued under section 4510.43 of the Revised Code, and the offender shall use the copy of the order in lieu of an Ohio driver's or commercial driver's license or permit until the registrar or a deputy registrar issues the offender a restricted license.

An order issued under section 4510.43 of the Revised Code does not authorize or permit the offender to whom it has been issued to operate a vehicle during any time that the offender's driver's or commercial driver's license or permit is suspended under any other provision of law.

(2) An offender may present an immobilizing or disabling device order to the registrar or to a deputy registrar. Upon presentation of the order to the registrar or a deputy registrar, the registrar or deputy registrar shall issue the offender a restricted license. A restricted license issued under this division

shall be identical to an Ohio driver's license, except that it shall have printed on its face a statement that the offender is prohibited during the period specified in the court order from operating any motor vehicle that is not equipped with an immobilizing or disabling device. The date of commencement and the date of termination of the period of suspension shall be indicated conspicuously upon the face of the license.

Sec. 4510.43. (A)(1) The director of public safety, upon consultation with the director of health and in accordance with Chapter 119. of the Revised Code, shall certify immobilizing and disabling devices and, subject to section 4510.45 of the Revised Code, shall publish and make available to the courts, without charge, a list of licensed manufacturers of ignition interlock devices and approved devices together with information about the manufacturers of the devices and where they may be obtained. The manufacturer of an immobilizing or disabling device shall pay the cost of obtaining the certification of the device to the director of public safety, and the director shall deposit the payment in the drivers' treatment and intervention fund established by sections 4511.19 and 4511.191 of the Revised Code.

(2) The director of public safety, in accordance with Chapter 119. of the Revised Code, shall adopt and publish rules setting forth the requirements for obtaining the certification of an immobilizing or disabling device. The director of public safety shall not certify an immobilizing or disabling device under this section unless it meets the requirements specified and published by the director in the rules adopted pursuant to this division. A certified device may consist of an ignition interlock device, an ignition blocking device initiated by time or magnetic or electronic encoding, an activity monitor, or any other device that reasonably assures compliance with an order granting limited driving privileges. Ignition interlock devices shall be certified annually.

The requirements for an immobilizing or disabling device that is an ignition interlock device shall require that the manufacturer of the device submit to the department of public safety a certificate from an independent testing laboratory indicating that the device meets or exceeds the standards of the national highway traffic safety administration, as defined in section 4511.19 of the Revised Code, that are in effect at the time of the director's decision regarding certification of the device, shall include provisions for setting a minimum and maximum calibration range, and shall include, but shall not be limited to, specifications that the device complies with all of the following:

- (a) It does not impede the safe operation of the vehicle.

(b) It has features that make circumvention difficult and that do not interfere with the normal use of the vehicle, and the features are operating and functioning.

(c) It correlates well with established measures of alcohol impairment.

(d) It works accurately and reliably in an unsupervised environment.

(e) It is resistant to tampering and shows evidence of tampering if tampering is attempted.

(f) It is difficult to circumvent and requires premeditation to do so.

(g) It minimizes inconvenience to a sober user.

(h) It requires a proper, deep-lung breath sample or other accurate measure of the concentration by weight of alcohol in the breath.

(i) It operates reliably over the range of automobile environments.

(j) It is made by a manufacturer who is covered by product liability insurance.

(3) The director of public safety may adopt, in whole or in part, the guidelines, rules, regulations, studies, or independent laboratory tests performed and relied upon by other states, or their agencies or commissions, in the certification or approval of immobilizing or disabling devices.

(4) The director of public safety shall adopt rules in accordance with Chapter 119. of the Revised Code for the design of a warning label that shall be affixed to each immobilizing or disabling device upon installation. The label shall contain a warning that any person tampering, circumventing, or otherwise misusing the device is subject to a fine, imprisonment, or both and may be subject to civil liability.

(B) A court considering the use of a prototype device in a pilot program shall advise the director of public safety, thirty days before the use, of the prototype device and its protocol, methodology, manufacturer, and licensor, lessor, other agent, or owner, and the length of the court's pilot program. A prototype device shall not be used for a violation of section 4510.14 or 4511.19 of the Revised Code, a violation of a municipal OVI ordinance, or in relation to a suspension imposed under section 4511.191 of the Revised Code. A court that uses a prototype device in a pilot program, periodically during the existence of the program and within fourteen days after termination of the program, shall report in writing to the director of public safety regarding the effectiveness of the prototype device and the program.

(C) If a person has been granted limited driving privileges with a condition of the privileges being that the motor vehicle that is operated under the privileges must be equipped with an immobilizing or disabling device, the person may operate a motor vehicle that is owned by the person's employer only if the person is required to operate that motor vehicle in the

course and scope of the offender's employment. Such a person may operate that vehicle without the installation of an immobilizing or disabling device, provided that the employer has been notified that the person has limited driving privileges and of the nature of the restriction and further provided that the person has proof of the employer's notification in the person's possession while operating the employer's vehicle for normal business duties. A motor vehicle owned by a business that is partly or entirely owned or controlled by a person with limited driving privileges is not a motor vehicle owned by an employer, for purposes of this division.

Sec. 4510.45. (A)(1) A manufacturer of ignition interlock devices that desires for its devices to be certified under section 4510.43 of the Revised Code and then to be included on the list of certified devices that the department of public safety compiles and makes available to courts pursuant to that section first shall obtain a license from the department under this section. The department, in accordance with Chapter 119. of the Revised Code, shall adopt any rules that are necessary to implement this licensing requirement.

(2) A manufacturer shall apply to the department for the license and shall include all information the department may require by rule. Each application, including an application for license renewal, shall be accompanied by an application fee of one hundred dollars, which the department shall deposit into the state treasury to the credit of the indigent drivers alcohol treatment fund created by section 4511.191 of the Revised Code.

(3) Upon receipt of a completed application, if the department finds that a manufacturer has complied with all application requirements, the department shall issue a license to the manufacturer. A manufacturer that has been issued a license under this section is eligible immediately to have the models of ignition interlock devices it produces certified under section 4510.43 of the Revised Code and then included on the list of certified devices that the department compiles and makes available to courts pursuant to that section.

(4)(a) A license issued under this section shall expire annually on a date selected by the department. The department shall reject the license application of a manufacturer if any of the following apply:

(i) The application is not accompanied by the application fee.

(ii) The department finds that the manufacturer has not complied with all application requirements.

(iii) The license application is a renewal application and the manufacturer failed to file the annual report or failed to pay the fee as

required by division (B) of this section.

(b) A manufacturer whose license application is rejected by the department may appeal the decision to the director of public safety. The director or the director's designee shall hold a hearing on the matter not more than thirty days from the date of the manufacturer's appeal. If the director or the director's designee upholds the denial of the manufacturer's application for a license, the manufacturer may appeal the decision to the Franklin county court of common pleas. If the director or the director's designee reverses the denial of the manufacturer's application for a license, the director or the director's designee shall issue a written order directing that the department issue a license to the manufacturer.

(B) Every manufacturer of ignition interlock devices that is issued a license under this section shall file an annual report with the department on a form the department prescribes on or before a date the department prescribes. The annual report shall state the amount of net profit the manufacturer earned during a twelve-month period specified by the department that is attributable to the sales of that manufacturer's certified ignition interlock devices to purchasers in this state. Each manufacturer shall pay a fee equal to five per cent of the amount of the net profit described in this division.

The department may permit annual reports to be filed via electronic means.

(C) The department shall deposit all fees it receives from manufacturers under this section into the state treasury to the credit of the indigent drivers alcohol treatment fund created by section 4511.191 of the Revised Code. All money so deposited into that fund that is paid by the department of alcohol and drug addiction services to county indigent drivers alcohol treatment funds, county juvenile indigent drivers alcohol treatment funds, and municipal indigent drivers alcohol treatment funds shall be used only as described in division (H)(3) of section 4511.191 of the Revised Code.

(D)(1) The director may make an assessment, based on any information in the director's possession, against any manufacturer that fails to file an annual report or pay the fee required by division (B) of this section. The director, in accordance with Chapter 119. of the Revised Code, shall adopt rules governing assessments and assessment procedures and related provisions. In adopting these rules, the director shall incorporate the provisions of section 5751.09 of the Revised Code to the greatest extent possible, except that the director is not required to incorporate any provisions of that section that by their nature are not applicable, appropriate, or necessary to assessments made by the director under this section.

(2) A manufacturer may appeal the final determination of the director regarding an assessment made by the director under this section. The director, in accordance with Chapter 119. of the Revised Code, shall adopt rules governing such appeals. In adopting these rules, the director shall incorporate the provisions of section 5717.02 of the Revised Code to the greatest extent possible, except that the director is not required to incorporate any provisions of that section that by their nature are not applicable, appropriate, or necessary to appeals of assessments made by the director under this section.

(E) The director, in accordance with Chapter 119. of the Revised Code, shall adopt a penalty schedule setting forth the monetary penalties to be imposed upon a manufacturer that is issued a license under this section and fails to file an annual report or pay the fee required by division (B) of this section in a timely manner. The penalty amounts shall not exceed the maximum penalty amounts established in section 5751.06 of the Revised Code for similar or equivalent facts or circumstances.

(F)(1) No manufacturer of ignition interlock devices that is required by division (B) of this section to file an annual report with the department or to pay a fee shall fail to do so as required by that division.

(2) No manufacturer of ignition interlock devices that is required by division (B) of this section to file an annual report with the department shall file a report that contains incorrect or erroneous information.

(G) Whoever violates division (F)(2) of this section is guilty of a misdemeanor of the first degree. The department shall remove from the list of certified devices described in division (A)(1) of this section the ignition interlock devices manufactured by a manufacturer that violates division (F)(1) or (2) of this section.

Sec. 4510.46. (A) A governmental agency, bureau, department, or office, or a private corporation, or any other entity that monitors certified ignition interlock devices for or on behalf of a court shall inform the court whenever such a device that has been installed in a motor vehicle indicates that it has prevented an offender whose driver's or commercial driver's license or permit or nonresident operating privilege has been suspended by a court under division (G)(1)(a), (b), (c), (d), or (e) of section 4511.19 of the Revised Code and who has been granted limited driving privileges under section 4510.13 of the Revised Code from starting the motor vehicle because the device was tampered with or circumvented or because the analysis of the deep-lung breath sample or other method employed by the ignition interlock device to measure the concentration by weight of alcohol in the offender's breath indicated the presence of alcohol in the offender's

breath in a concentration sufficient to prevent the ignition interlock device from permitting the motor vehicle to be started.

(B) Upon receipt of such information pertaining to an offender whose driver's or commercial driver's license or permit or nonresident operating privilege has been suspended by a court under division (G)(1)(b), (c), (d), or (e) of section 4511.19 of the Revised Code and who has been granted limited driving privileges under section 4510.13 of the Revised Code, the court shall send a notice to the offender stating that it has received evidence of an instance described in division (A) of this section. If a court pursuant to division (A)(8) of section 4510.13 of the Revised Code requires the offender to wear an alcohol monitor, the notice shall state that because of this instance the offender is required to wear a monitor that provides for continuous alcohol monitoring in accordance with division (A)(8) of section 4510.13 of the Revised Code. The notice shall further state that because of this instance the court may increase the period of suspension of the offender's driver's or commercial driver's license or permit or nonresident operating privilege from that originally imposed by the court by a factor of two and may increase the period of time during which the offender will be prohibited from exercising any limited driving privileges granted to the offender unless the vehicles the offender operates are equipped with a certified ignition interlock device by a factor of two.

The notice shall state whether the court will impose these increases and, if so, that these increases will take effect fourteen days from the date of the notice unless the offender files a timely motion with the court, appealing the increases in the time described in this division and requesting a hearing on the matter. Any such motion that is filed within that fourteen-day period shall be considered to be filed in a timely manner, and any such motion that is filed after that fourteen-day period shall be considered not to be filed in a timely manner. If the offender files a timely motion, the court may hold a hearing on the matter. The scope of the hearing is limited to determining whether the offender in fact was prevented from starting a motor vehicle that is equipped with a certified ignition interlock device because the device was tampered with or circumvented or because the analysis of the deep-lung breath sample or other method employed by the ignition interlock device to measure the concentration by weight of alcohol in the offender's breath indicated the presence of alcohol in the offender's breath in a concentration sufficient to prevent the ignition interlock device from permitting the motor vehicle to be started.

If the court finds by a preponderance of the evidence that this instance as indicated by the ignition interlock device in fact did occur, it may deny

the offender's appeal and issue the order increasing the relevant periods of time described in this division. If the court finds by a preponderance of the evidence that this instance as indicated by the ignition interlock device in fact did not occur, it shall grant the offender's appeal and no such order shall be issued.

(C) In no case shall any period of suspension of an offender's driver's or commercial driver's license or permit or nonresident operating privilege that is increased by a factor of two or any period of time during which the offender is prohibited from exercising any limited driving privileges granted to the offender unless the vehicles the offender operates are equipped with a certified ignition interlock device that is increased by a factor of two exceed the maximum period of time for which the court originally was authorized to suspend the offender's driver's or commercial driver's license or permit or nonresident operating privilege under division (G)(1)(a), (b), (c), (d), or (e) of section 4511.19 of the Revised Code.

(D) Nothing in this section shall be construed as prohibiting the court from revoking an individual's driving privileges.

The form to be read to the person to be tested, as required under section 4511.192 of the Revised Code, shall state that the person may have an independent test performed at the person's expense. The failure or inability to obtain an additional chemical test by a person shall not preclude the admission of evidence relating to the chemical test or tests taken at the request of a law

enforcement officer.

The laboratory report shall contain all of the following:

(a) The signature, under oath, of any person who performed the analysis;

(b) Any findings as to the identity and quantity of alcohol, a drug of abuse, a controlled substance, a metabolite of a controlled substance, or a combination of them that was found;

(d) An outline of the analyst's or test performer's education, training, and experience in performing the type of analysis involved and a certification that the laboratory satisfies appropriate quality control standards in general and, in this particular analysis, under rules of the department of health.

(2) Notwithstanding any other provision of law regarding the admission of evidence, a report of the type described in division (E)(1) of this section is not admissible against the defendant to whom it pertains in any proceeding, other than a preliminary hearing or a grand jury proceeding, unless the prosecutor has served a copy of the report on the defendant's attorney or, if the defendant has no attorney, on the defendant.

(3) A report of the type described in division (E)(1) of this section shall not be prima-facie evidence of the contents, identity, or amount of any substance if, within seven days after the defendant to whom the report pertains or the defendant's attorney receives a copy of the report, the defendant or the defendant's attorney demands the testimony of the person who signed the report. The judge in the case may extend the seven-day time limit in the interest of justice.

Additionally, all portions of fines that are paid for a violation of section 4511.19 of the Revised Code or of any prohibition contained in Chapter 4510. of the Revised Code, and that are required under section 4511.19 or any provision of Chapter 4510. of the Revised Code to be deposited into a county indigent drivers alcohol treatment fund or municipal indigent drivers alcohol treatment fund shall be deposited into the appropriate fund in accordance with the applicable division.

(2) That portion of the license reinstatement fee that is paid under division (F) of this section and that is credited under that division to the indigent drivers alcohol treatment fund shall be deposited into a county indigent drivers alcohol treatment fund, a county juvenile indigent drivers alcohol treatment fund, or a municipal indigent drivers alcohol treatment fund as follows:

(a) If the suspension in question was imposed under this section, that portion of the fee shall be deposited as follows:

(i) If the fee is paid by a person who was charged in a county court with the violation that resulted in the suspension, the portion shall be deposited into the county indigent drivers alcohol treatment fund under the control of that court;

(ii) If the fee is paid by a person who was charged in a juvenile court with the violation that resulted in the suspension, the portion shall be deposited into the county juvenile indigent drivers alcohol treatment fund established in the county served by the court;

(iii) If the fee is paid by a person who was charged in a municipal court with the violation that resulted in the suspension, the portion shall be deposited into the municipal indigent drivers alcohol treatment fund under the control of that court.

(b) If the suspension in question was imposed under section 4511.19 of the Revised Code or under section 4510.07 of the Revised Code for a violation of a municipal OVI ordinance, that portion of the fee shall be deposited as follows:

(i) If the fee is paid by a person whose license or permit was suspended by a county court, the portion shall be deposited into the county indigent drivers alcohol treatment fund under the control of that court;

(ii) If the fee is paid by a person whose license or permit was suspended by a municipal court, the portion shall be deposited into the municipal indigent drivers alcohol treatment fund under the control of that court.

(3) Expenditures from a county indigent drivers alcohol treatment fund, a county juvenile indigent drivers alcohol treatment fund, or a municipal indigent drivers alcohol treatment fund shall be made only upon the order of a county, juvenile, or municipal court judge and only for payment of the cost of an assessment or the cost of the attendance at an alcohol and drug addiction treatment program of a person who is convicted of, or found to be a juvenile traffic offender by reason of, a violation of division (A) of section 4511.19 of the Revised Code or a substantially similar municipal ordinance, who is ordered by the court to attend the alcohol and drug addiction treatment program, and who is determined by the court to be unable to pay the cost of the assessment or the cost of attendance at the treatment program or for payment of the costs specified in division (H)(4) of this section in accordance with that division. The alcohol and drug addiction services board or the board of alcohol, drug addiction, and mental health services established pursuant to section 340.02 or 340.021 of the Revised Code and serving the alcohol, drug addiction, and mental health service district in which the court is located shall administer the indigent drivers alcohol treatment program of the court. When a court orders an offender or juvenile traffic offender to obtain an assessment or attend an alcohol and drug addiction treatment program, the board shall determine which program is suitable to meet the needs of the offender or juvenile traffic offender, and when a suitable program is located and space is available at the program, the

offender or juvenile traffic offender shall attend the program designated by the board. In addition, upon exhaustion of moneys in the indigent drivers interlock and alcohol monitoring fund for the use of an alcohol monitoring device, a county, juvenile, or municipal court judge may use moneys in the county indigent drivers alcohol treatment fund, county juvenile indigent drivers alcohol treatment fund, or municipal indigent drivers alcohol treatment fund to pay for the continued use of an electronic continuous alcohol monitoring device by an offender or juvenile traffic offender, in conjunction with a treatment program approved by the department of alcohol and drug addiction services, when such use is determined clinically necessary by the treatment program and when the court determines that the offender or juvenile traffic offender is unable to pay all or part of the daily monitoring of the device.

(4) If a county, juvenile, or municipal court determines, in consultation with the alcohol and drug addiction services board or the board of alcohol, drug addiction, and mental health services established pursuant to section 340.02 or 340.021 of the Revised Code and serving the alcohol, drug addiction, and mental health district in which the court is located, that the funds in the county indigent drivers alcohol treatment fund, the county juvenile indigent drivers alcohol treatment fund, or the municipal indigent drivers alcohol treatment fund under the control of the court are more than sufficient to satisfy the purpose for which the fund was established, as specified in divisions (H)(1) to (3) of this section, the court may declare a surplus in the fund. If the court declares a surplus in the fund, the court may expend the amount of the surplus in the fund for:

(a) Alcohol and drug abuse assessment and treatment of persons who are charged in the court with committing a criminal offense or with being a delinquent child or juvenile traffic offender and in relation to whom both of the following apply:

(i) The court determines that substance abuse was a contributing factor leading to the criminal or delinquent activity or the juvenile traffic offense with which the person is charged.

(ii) The court determines that the person is unable to pay the cost of the

alcohol and drug abuse assessment and treatment for which the surplus money will be used.

(b) All or part of the cost of purchasing electronic continuous alcohol monitoring devices to be used in conjunction with division (H)(3) of this section, upon exhaustion of moneys in the indigent drivers interlock and alcohol monitoring fund for the use of an alcohol monitoring device.

(5) For the purpose of determining as described in division (F)(2)(c) of this section whether an offender does not have the means to pay for the offender's attendance at an alcohol and drug addiction treatment program or whether an alleged offender or delinquent child is unable to pay the costs specified in division (H)(4) of this section, the court shall use the indigent client eligibility guidelines and the standards of indigency established by the state public defender to make the determination.

(6) The court shall identify and refer any alcohol and drug addiction program that is not certified under section 3793.06 of the Revised Code and that is interested in receiving amounts from the surplus in the fund declared under division (H)(4) of this section to the department of alcohol and drug addiction services in order for the program to become a certified alcohol and drug treatment program. The department shall keep a record of applicant referrals received pursuant to this division and shall submit a report on the referrals each year to the general assembly. If a program interested in becoming certified makes an application to become certified pursuant to section 3793.06 of the Revised Code, the program is eligible to receive surplus funds as long as the application is pending with the department. The department of alcohol and drug addiction services must offer technical assistance to the applicant. If the interested program withdraws the certification application, the department must notify the court, and the court shall not provide the interested program with any further surplus funds.

(I)(1) Each county shall establish an indigent drivers interlock and alcohol monitoring fund and a juvenile indigent drivers interlock and alcohol treatment fund, and each municipal corporation in which there is a municipal court shall establish an indigent drivers interlock and alcohol monitoring fund. All revenue that the general assembly appropriates to the indigent drivers interlock and alcohol monitoring fund for transfer to a county indigent drivers interlock and alcohol monitoring fund, a county juvenile indigent drivers interlock and alcohol monitoring fund, or a municipal indigent drivers interlock and alcohol monitoring fund, all portions of license reinstatement fees that are paid under division (F)(2) of this section and that are credited under that division to the indigent drivers interlock and alcohol monitoring fund in the state treasury, and all portions

of fines that are paid under division (G) of section 4511.19 of the Revised Code and that are credited by division (G)(5)(e) of that section to the indigent drivers interlock and alcohol monitoring fund in the state treasury shall be deposited in the appropriate fund in accordance with division (I)(2) of this section.

(2) That portion of the license reinstatement fee that is paid under division (F) of this section and that portion of the fine paid under division (G) of section 4511.19 of the Revised Code and that is credited under either division to the indigent drivers interlock and alcohol monitoring fund shall be deposited into a county indigent drivers interlock and alcohol monitoring fund, a county juvenile indigent drivers interlock and alcohol monitoring fund, or a municipal indigent drivers interlock and alcohol monitoring fund as follows:

(a) If the fee or fine is paid by a person who was charged in a county court with the violation that resulted in the suspension or fine, the portion shall be deposited into the county indigent drivers interlock and alcohol monitoring fund under the control of that court.

(b) If the fee or fine is paid by a person who was charged in a juvenile court with the violation that resulted in the suspension or fine, the portion shall be deposited into the county juvenile indigent drivers interlock and alcohol monitoring fund established in the county served by the court.

(c) If the fee or fine is paid by a person who was charged in a municipal court with the violation that resulted in the suspension, the portion shall be deposited into the municipal indigent drivers interlock and alcohol monitoring fund under the control of that court.

Sec. 4511.192. (A) The arresting law enforcement officer shall give advice in accordance with this section to any person under arrest for a violation of division (A) or (B) of section 4511.19 of the Revised Code, section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, or a municipal OVI ordinance. The officer shall give that advice in a written form that contains the information described in division (B) of this section and shall read the advice to the person. The form shall contain a statement that the form was shown to the person under arrest and read to the person by the arresting officer. One or more persons shall witness the arresting officer's reading of the form, and the witnesses shall certify to this fact by signing the form. The person must submit to the chemical test or tests, subsequent to the request of the arresting officer, within two hours of the time of the alleged violation and, if the person does not submit to the test or tests within that two-hour time limit, the failure to submit automatically constitutes a refusal to submit to the test or tests.

(B) If a person is under arrest as described in division (A) of this section, before the person may be requested to submit to a chemical test or tests to determine the alcohol, drug of abuse, controlled substance, metabolite of a controlled substance, or combination content of the person's whole blood, blood serum or plasma, breath, or urine, the arresting officer shall read the following form to the person:

"You now are under arrest for (specifically state the offense under state law or a substantially equivalent municipal ordinance for which the person was arrested - operating a vehicle under the influence of alcohol, a drug, or a combination of them; operating a vehicle while under the influence of a listed controlled substance or a listed metabolite of a controlled substance; operating a vehicle after underage alcohol consumption; or having physical control of a vehicle while under the influence).

If you refuse to take any chemical test required by law, your Ohio driving privileges will be suspended immediately, and you will have to pay a fee to have the privileges reinstated. If you have a prior conviction of OVI, OVUAC, or operating a vehicle while under the influence of a listed controlled substance or a listed metabolite of a controlled substance under state or municipal law within the preceding twenty years, you now are under arrest for state OVI, and, if you refuse to take a chemical test, you will face increased penalties if you subsequently are convicted of the state OVI.

(Read this part unless the person is under arrest for solely having physical control of a vehicle while under the influence.) If you take any chemical test required by law and are found to be at or over the prohibited amount of alcohol, a controlled substance, or a metabolite of a controlled substance in your whole blood, blood serum or plasma, breath, or urine as set by law, your Ohio driving privileges will be suspended immediately, and you will have to pay a fee to have the privileges reinstated.

If you take a chemical test, you may have an independent chemical test taken at your own expense."

(C) If the arresting law enforcement officer does not ask a person under arrest as described in division (A) of this section or division (A)(5) of section 4511.191 of the Revised Code to submit to a chemical test or tests under section 4511.191 of the Revised Code, the arresting officer shall seize the Ohio or out-of-state driver's or commercial driver's license or permit of the person and immediately forward it to the court in which the arrested person is to appear on the charge. If the arrested person is not in possession of the person's license or permit or it is not in the person's vehicle, the officer shall order the person to surrender it to the law enforcement agency that employs the officer within twenty-four hours after the arrest, and, upon

the surrender, the agency immediately shall forward the license or permit to the court in which the person is to appear on the charge. Upon receipt of the license or permit, the court shall retain it pending the arrested person's initial appearance and any action taken under section 4511.196 of the Revised Code.

(D)(1) If a law enforcement officer asks a person under arrest as described in division (A)(5) of section 4511.191 of the Revised Code to submit to a chemical test or tests under that section and the test results indicate a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the person's whole blood, blood serum or plasma, breath, or urine at the time of the alleged offense, or if a law enforcement officer asks a person under arrest as described in division (A) of this section to submit to a chemical test or tests under section 4511.191 of the Revised Code, if the officer advises the person in accordance with this section of the consequences of the person's refusal or submission, and if either the person refuses to submit to the test or tests or, unless the arrest was for a violation of section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, the person submits to the test or tests and the test results indicate a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the person's whole blood, blood serum or plasma, breath, or urine at the time of the alleged offense, the arresting officer shall do all of the following:

(a) On behalf of the registrar of motor vehicles, notify the person that, independent of any penalties or sanctions imposed upon the person, the person's Ohio driver's or commercial driver's license or permit or nonresident operating privilege is suspended immediately, that the suspension will last at least until the person's initial appearance on the charge, which will be held within five days after the date of the person's arrest or the issuance of a citation to the person, and that the person may appeal the suspension at the initial appearance or during the period of time ending thirty days after that initial appearance;

(b) Seize the driver's or commercial driver's license or permit of the person and immediately forward it to the registrar. If the arrested person is not in possession of the person's license or permit or it is not in the person's vehicle, the officer shall order the person to surrender it to the law enforcement agency that employs the officer within twenty-four hours after the person is given notice of the suspension, and, upon the surrender, the officer's employing agency immediately shall forward the license or permit to the registrar.

(c) Verify the person's current residence and, if it differs from that on

the person's driver's or commercial driver's license or permit, notify the registrar of the change;

(d) Send to the registrar, within forty-eight hours after the arrest of the person, a sworn report that includes all of the following statements:

(i) That the officer had reasonable grounds to believe that, at the time of the arrest, the arrested person was operating a vehicle, streetcar, or trackless trolley in violation of division (A) or (B) of section 4511.19 of the Revised Code or a municipal OVI ordinance or for being in physical control of a stationary vehicle, streetcar, or trackless trolley in violation of section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance;

(ii) That the person was arrested and charged with a violation of division (A) or (B) of section 4511.19 of the Revised Code, section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, or a municipal OVI ordinance;

(iii) ~~That~~ Unless division (D)(1)(d)(v) of this section applies, that the officer asked the person to take the designated chemical test or tests, advised the person in accordance with this section of the consequences of submitting to, or refusing to take, the test or tests, and gave the person the form described in division (B) of this section;

(iv) ~~That~~ Unless division (D)(1)(d)(v) of this section applies, that either the person refused to submit to the chemical test or tests or, unless the arrest was for a violation of section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, the person submitted to the chemical test or tests and the test results indicate a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the person's whole blood, blood serum or plasma, breath, or urine at the time of the alleged offense;

(v) If the person was under arrest as described in division (A)(5) of section 4511.191 of the Revised Code and the chemical test or tests were performed in accordance with that division, that the person was under arrest as described in that division, that the chemical test or tests were performed in accordance with that division, and that test results indicated a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the person's whole blood, blood serum or plasma, breath, or urine at the time of the alleged offense.

(2) Division (D)(1) of this section does not apply to a person who is arrested for a violation of section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, who is asked by a law enforcement officer to submit to a chemical test or tests under section

4511.191 of the Revised Code, and who submits to the test or tests, regardless of the amount of alcohol, a controlled substance, or a metabolite of a controlled substance that the test results indicate is present in the person's whole blood, blood serum or plasma, breath, or urine.

(E) The arresting officer shall give the officer's sworn report that is completed under this section to the arrested person at the time of the arrest, or the registrar of motor vehicles shall send the report to the person by regular first class mail as soon as possible after receipt of the report, but not later than fourteen days after receipt of it. An arresting officer may give an unsworn report to the arrested person at the time of the arrest provided the report is complete when given to the arrested person and subsequently is sworn to by the arresting officer. As soon as possible, but not later than forty-eight hours after the arrest of the person, the arresting officer shall send a copy of the sworn report to the court in which the arrested person is to appear on the charge for which the person was arrested.

(F) The sworn report of an arresting officer completed under this section is prima-facie proof of the information and statements that it contains. It shall be admitted and considered as prima-facie proof of the information and statements that it contains in any appeal under section 4511.197 of the Revised Code relative to any suspension of a person's driver's or commercial driver's license or permit or nonresident operating privilege that results from the arrest covered by the report.

Sec. 4511.198. (A)(1) If a court grants limited driving privilege to a person who is described in division (B) of this section and who is alleged to have committed a violation of division (A) of section 4511.19 of the Revised Code or of a substantially equivalent municipal ordinance, the court as a condition of granting limited driving privileges may prohibit the person from consuming any beer or intoxicating liquor and may require the person to wear a monitor that provides continuous alcohol monitoring that is remote. If the court imposes the requirement, the court shall require the person to wear the monitor until the person is convicted of, pleads guilty to, or is found not guilty of the alleged violation or the charges in the case are dismissed. Any consumption by the person of beer or intoxicating liquor prior to that time is grounds for revocation by the court of the person's limited driving privilege. The person shall pay all costs associated with the monitor, including the cost of remote monitoring.

(2) If a court grants limited driving privilege to a person who is described in division (C) of this section and who is alleged to have committed a violation of division (A) of section 4511.19 of the Revised Code or of a substantially equivalent municipal ordinance, the court as a

condition of granting limited driving privileges, unless the court determines otherwise, shall prohibit the person from consuming any beer or intoxicating liquor and shall require the person to wear a monitor that provides continuous alcohol monitoring that is remote. The court shall require the person to wear the monitor until the person is convicted of, pleads guilty to, or is found not guilty of the alleged violation or the charges in the case are dismissed. Any consumption by the person of beer or intoxicating liquor prior to that time is grounds for revocation by the court of the person's limited driving privilege. The person shall pay all costs associated with the monitor, including the cost of remote monitoring.

(B) Division (A)(1) of this section applies to the following persons:

(1) A person who is alleged to have committed a violation of division (A) of section 4511.19 of the Revised Code and who, if convicted of the alleged violation, is required to be sentenced under division (G)(1)(c) or (d) of section 4511.19 of the Revised Code;

(2) A person who is alleged to have committed a violation of a municipal ordinance that is substantially equivalent to division (A) of section 4511.19 of the Revised Code and who, if the law enforcement officer who arrested and charged the person with the violation of the municipal ordinance instead had charged the person with a violation of division (A) of section 4511.19 of the Revised Code, would be required to be sentenced under division (G)(1)(c) or (d) of section 4511.19 of the Revised Code.

(C) Division (A)(2) of this section applies to the following persons:

(1) A person who is alleged to have committed a violation of division (A) of section 4511.19 of the Revised Code and who, if convicted of the alleged violation, is required to be sentenced under division (G)(1)(e) of section 4511.19 of the Revised Code;

(2) A person who is alleged to have committed a violation of a municipal ordinance that is substantially equivalent to division (A) of section 4511.19 of the Revised Code and who, if the law enforcement officer who arrested and charged the person with the violation of the municipal ordinance instead had charged the person with a violation of division (A) of section 4511.19 of the Revised Code, would be required to be sentenced under division (G)(1)(e) of section 4511.19 of the Revised Code.

Sec. 4511.203. (A) No person shall permit a motor vehicle owned by the person or under the person's control to be driven by another if any of the following apply:

(1) The offender knows or has reasonable cause to believe that the other

person does not have a valid driver's or commercial driver's license or permit or valid nonresident driving privileges.

(2) The offender knows or has reasonable cause to believe that the other person's driver's or commercial driver's license or permit or nonresident operating privileges have been suspended or canceled under Chapter 4510. or any other provision of the Revised Code.

(3) The offender knows or has reasonable cause to believe that the other person's act of driving the motor vehicle would violate any prohibition contained in Chapter 4509. of the Revised Code.

(4) The offender knows or has reasonable cause to believe that the other person's act of driving would violate section 4511.19 of the Revised Code or any substantially equivalent municipal ordinance.

(5) The offender knows or has reasonable cause to believe that the vehicle is the subject of an immobilization waiver order issued under section 4503.235 of the Revised Code and the other person is prohibited from operating the vehicle under that order.

(B) Without limiting or precluding the consideration of any other evidence in determining whether a violation of division (A)(1), (2), (3), ~~or~~ (4), or (5) of this section has occurred, it shall be prima-facie evidence that the offender knows or has reasonable cause to believe that the operator of the motor vehicle owned by the offender or under the offender's control is in a category described in division (A)(1), (2), (3), ~~or~~ (4), or (5) of this section if any of the following applies:

(1) Regarding an operator allegedly in the category described in division (A)(1) ~~or~~, (3), or (5) of this section, the offender and the operator of the motor vehicle reside in the same household and are related by consanguinity or affinity.

(2) Regarding an operator allegedly in the category described in division (A)(2) of this section, the offender and the operator of the motor vehicle reside in the same household, and the offender knows or has reasonable cause to believe that the operator has been charged with or convicted of any violation of law or ordinance, or has committed any other act or omission, that would or could result in the suspension or cancellation of the operator's license, permit, or privilege.

(3) Regarding an operator allegedly in the category described in division (A)(4) of this section, the offender and the operator of the motor vehicle occupied the motor vehicle together at the time of the offense.

(C) Whoever violates this section is guilty of wrongful entrustment of a motor vehicle, a misdemeanor of the first degree. In addition to the penalties imposed under Chapter 2929. of the Revised Code, the court shall impose a

class seven suspension of the offender's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege from the range specified in division (A)(7) of section 4510.02 of the Revised Code, and, if the vehicle involved in the offense is registered in the name of the offender, the court shall order one of the following:

(1) Except as otherwise provided in division (C)(2) or (3) of this section, the court shall order, for thirty days, the immobilization of the vehicle involved in the offense and the impoundment of that vehicle's license plates. The order shall be issued and enforced under section 4503.233 of the Revised Code.

(2) If the offender previously has been convicted of or pleaded guilty to one violation of this section or a substantially equivalent municipal ordinance, the court shall order, for sixty days, the immobilization of the vehicle involved in the offense and the impoundment of that vehicle's license plates. The order shall be issued and enforced under section 4503.233 of the Revised Code.

(3) If the offender previously has been convicted of or pleaded guilty to two or more violations of this section or a substantially equivalent municipal ordinance, the court shall order the criminal forfeiture to the state of the vehicle involved in the offense. The order shall be issued and enforced under section 4503.234 of the Revised Code.

If title to a motor vehicle that is subject to an order for criminal forfeiture under this division is assigned or transferred and division (B)(2) or (3) of section 4503.234 of the Revised Code applies, in addition to or independent of any other penalty established by law, the court may fine the offender the value of the vehicle as determined by publications of the national auto dealer's association. The proceeds from any fine imposed under this division shall be distributed in accordance with division (C)(2) of section 4503.234 of the Revised Code.

(D) If a court orders the immobilization of a vehicle under division (C) of this section, the court shall not release the vehicle from the immobilization before the termination of the period of immobilization ordered unless the court is presented with current proof of financial responsibility with respect to that vehicle.

(E) If a court orders the criminal forfeiture of a vehicle under division (C) of this section, upon receipt of the order from the court, neither the registrar of motor vehicles nor any deputy registrar shall accept any application for the registration or transfer of registration of any motor vehicle owned or leased by the person named in the order. The period of

denial shall be five years after the date the order is issued, unless, during that five-year period, the court with jurisdiction of the offense that resulted in the order terminates the forfeiture and notifies the registrar of the termination. If the court terminates the forfeiture and notifies the registrar, the registrar shall take all necessary measures to permit the person to register a vehicle owned or leased by the person or to transfer the registration of the vehicle.

(F) This section does not apply to motor vehicle rental dealers or motor vehicle leasing dealers, as defined in section 4549.65 of the Revised Code.

(G) Evidence of a conviction of, plea of guilty to, or adjudication as a delinquent child for a violation of this section or a substantially similar municipal ordinance shall not be admissible as evidence in any civil action that involves the offender or delinquent child who is the subject of the conviction, plea, or adjudication and that arises from the wrongful entrustment of a motor vehicle.

(B) A court that convicts a person for an OVI/OMWI violation shall send to the department of public safety, within thirty days after the conviction of the offender the information specified in divisions (A)(1)(a) and (b) of this section.

(C) The department of public safety shall update the state registry of Ohio's habitual OVI/OMWI offenders required under division (A)(1) of this section and the database required under division (A)(2) of this section every month to ensure that the information they contain is accurate and current.

Revised Code is presented in this act as a composite of the section as amended by both Sub. H.B. 241 and Am. Sub. H.B. 461 of the 126th General Assembly.
