Tax Deductible Contributions Needed

Red Means Stop needs your financial support. Contributions are fully tax deductible and the money raised will allow us to continue providing educational materials and speakers free of charge to high school driver education classes, court approved Defensive Driving and Traffic Survival Schools, as well as corporate and government fleet training. Our first annual Young Driver Challenge is scheduled for May 1, 2010 and funding for this important event is critical. Please help us share the message about the importance of safe, responsible driving by sending your tax deductible contribution to the Red

Means Stop Traffic Safety Alliance today! . . .
