 IOWA DEPARTMENT OF) WOODBURY COUNTY, IA
 TRANSPORTATION) DESIGNER
 Defendants.)

On this 23rd day of July, 2013, this matter comes before the Court on the application of the Plaintiff for a temporary injunction against the defendants.

The Court finds the petition, supported by affidavit, shows the Plaintiff is entitled to relief which includes restraining the commission or continuance of an act which would greatly or irreparably injure the Plaintiff. The Court finds that a temporary injunction should be issued with a hearing date set to determine whether the injunction should be continued pending this litigation. Additionally, after finding no probable liability to the Defendants, the Court waives the bond requirement for the Plaintiff.

IT IS THEREFORE ORDERED THAT:

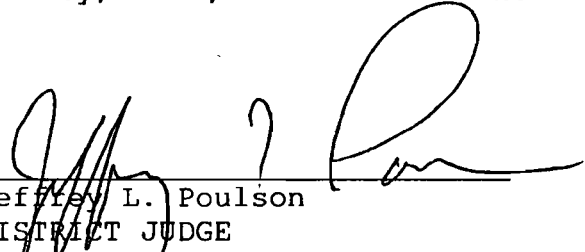

1. Defendants, State of Iowa and the Iowa Department of Transportation, are hereby temporarily enjoined from removing any automated traffic enforcement unit from Interstate 29 within

the limits of the City of Sioux City until further order of this Court.

2. Defendants, State of Iowa and the Iowa Department of Transportation, are hereby temporarily enjoined from removing any sign relating to an automated traffic enforcement unit from Interstate 29 within the limits of the City of Sioux City until further order of this Court.

3. Defendants, State of Iowa and the Iowa Department of Transportation, are hereby temporarily enjoined from claiming a breach of any agreement entered into by either Plaintiff or Defendants in reference to the aforementioned automated traffic enforcement units or related signs and thus, withhold any payment owed to the Plaintiff, either past, present, or future.

4 An expedited hearing on continuance of the injunction shall be held on the 26th day of July, 2013, at 10:30 am. in the Courthouse in Sioux City, Woodbury County, Iowa, in front of the Honorable Judge Steven Andreason.
