Carpooler #1 _____ Carpooler #2 _____ Carpooler #3 _____

**** All personal information submitted to SFCS will be kept confidential. SFCS will verify the information provided. If SFCS finds any of this information to be false, registration will be denied.**

**** If you need space to identify additional carpoolers, please include the information requested above for poolers 1-3 on a separate sheet of paper.**

State of Florida Administrative Code 14-100.004 95 Express Toll Exemption Registration. The provisions of this section apply to the express lanes on I-95 in Miami-Dade and Broward Counties.

Purpose. To address congestion and to offer travel-choice options to motorists in South Florida, the 95 Express project implements a combination of tolling, technology, travel demand management and transit elements into a single project along the Interstate 95 corridor from just south of SR 112/I-195 in Miami-Dade County to just north of I-595 in Broward County. Tolls will be collected electronically. Toll exemptions are allowed for certain vehicle types as specified in this section. Both the tolls and toll exemptions are intended to provide incentives for increased vehicle occupancy, shift in travel demand, and overall congestion relief.

Exemptions. Tolls shall be collected from all vehicles using the express lanes, unless a valid exemption applies. The following qualify for an exemption from payment of tolls on 95 Express:

Carpools with three or more occupants registered in the manner described below.

South Florida Commuter Services (SFCS) is the regional commuter assistance program funded by the Florida Department of Transportation. This rule sets forth the process to register for exemption from payment of tolls on the 95 Express project.

Decals will be provided for the following vehicles eligible for an exemption from payment of tolls for use of the express lanes: registered 3+ passenger carpools, registered ILEV and hybrid vehicles and registered South Florida Vanpools. 3+ passenger carpools means at least three commuters traveling to and from work in one vehicle and properly registered by SFCS as a 3+ passenger carpool. An ILEV or hybrid vehicle means a vehicle as defined in Section 316.0741, F.S. A South Florida Vanpool means a van meeting the registration requirements of the South Florida Vanpool Program. The South Florida Vanpool Program is managed by the Miami-Dade Metropolitan Planning Organization with coordination from Broward County Metropolitan Planning Organization, and the Palm Beach Metropolitan Planning Organization.

3+ Passenger Carpools:

All eligible 3+ passenger carpools must register with SFCS.

Registration will allow users to receive a “95 Express” decal that will allow them to use the express lanes toll-free.

SFCS will provide the “95 Express” registration form. The registration form requests: name, home address, work address, employer, home/work phone number, work schedule, driver license number, and state of vehicle registration.

3+ Passenger Carpool eligibility will be based on matching all of the following criteria:

Criteria	Configuration	Comments
Home Distance	3 mile radius	System will seek similar participants that live within a three-mile radius. If participant's commute distance is less than three miles, search radius will be ½ of distance
Work Distance	1 mile radius	Matched participants must work within a one-mile radius to have a positive match
Start Time/End Time	30 minutes	Participants must have a start/end work time within this timeframe to have a positive match

The only exception that will be allowed to the above criteria will be for carpools whose participants meet at a specified location, parking lot, park-n-ride lot, or transit/multi-modal facility that is located between the origin and destination of all participants within the carpool.

If a driver of a vehicle with a registered 3+ passenger carpool decal receives two or more citations for failure to pay a required 95 Express toll under Section 316.1001, F.S., which results in a withhold of adjudication or an adjudication of guilt, when operating a vehicle with less than three passengers, the 3+ passenger decal will be revoked. Further, the driver, and the owner of the 3+ passenger carpool decal (if different), will not be eligible to apply for a 3+ passenger carpool decal for a period of one year from the revocation of the decal.
